(g) Maintenance of effort. (1) A State may not receive an amount of Federal funds under title IV-B in excess of the Federal payment made in FY 1979 under title IV-B unless the State’s total expenditure of State and local appropriated funds for child welfare services under title IV-B of the Act is equal to or greater than the total of the State’s expenditure from State and local appropriated funds used for similar covered services and programs under title IV-B in FY 1979.

§ 1357.32 State fiscal requirements (title IV-B, subpart 2, family preservation and family support services).

(a) Scope. The requirements of this section apply to all funds allocated to States under title IV-B, subpart 2, of the Act.

(b) Allotments. The annual allotment to each State shall be made in accordance with section 433 of the Act.

(c) Payments. Payments to each State will be made in accordance with section 434 of the Act.

(d) Matching or cost sharing. Funds used to provide services in FY 1994 and in subsequent years will be federally reimbursed at 75 percent of allowable expenditures. (This is the same Federal financial participation rate as title IV-B, subpart 1.) Federal funds, however, will not exceed the amount of the State’s allotment.

   (1) The State’s contribution may be in cash, donated funds, and non-public third party in-kind contributions.
   (2) Except as provided by Federal statute, other Federal funds may not be used to meet the matching requirement.

(e) Prohibition against purchase or construction of facilities. Funds awarded under title IV-B may not be used for the purchase or construction of facilities.

(f) Maintenance of effort. States may not use the Federal funds under title IV-B, subpart 2, to supplant Federal or non-Federal funds for existing family preservation and family support services. For the purpose of implementing this requirement, “non-Federal funds” means State funds. ACF will collect information annually from each State on expenditures for family support and family preservation using the State fiscal year 1992 as the base year.

(g) Time limits on expenditures. Funds must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(h) Administrative costs. (1) States claiming Federal financial participation for services provided in FY 1994 and subsequent years may not claim more than 10 percent of expenditures under subpart 2 for administrative costs. There is no limit on the percentage of administrative costs which may be reported as State match.
   (2) For the purposes of title IV-B, subpart 2, “administrative costs” are costs of auxiliary functions as identified through the agency’s accounting system which are:
      (i) Allocable (in accordance with the agency’s approved cost allocation plan)
