§ 8.330 Termination of classification society authority.

(a) The Coast Guard may terminate an authorization agreement with a classification society if:

(1) The Commandant revokes the classification society’s recognition, as specified in §8.260; or

(2) The classification society fails to comply with the conditions of the authorization agreement as specified in §8.130.

(b) In the event that a flag administration of a country changes conditions related to the authority that is delegated to ABS, the Commandant may modify or revoke the Coast Guard’s authorization of that classification society that has its headquarters in that country.

(c) Certificates issued by a classification society which has had its authorization terminated will remain valid until the next classification society survey associated with that certificate is required or until the certificate expires, whichever occurs first.

Subpart D—Alternate Compliance Program

§ 8.400 Purpose.

This subpart establishes an alternative to subpart 2.01 of this chapter for certification of United States vessels.

§ 8.410 Applicability.

This subpart applies to:

(a) Recognized classification societies; and

(b) U.S. flag vessels that are certified for international voyages and are classed by a recognized classification society that is authorized by the Coast Guard to participate in the Alternate Compliance Program (ACP) as specified in this subpart and whose vessel type is authorized to participate in the ACP per the applicable subchapter of 46 CFR chapter I.

§ 8.420 Classification society authorization to participate in the Alternate Compliance Program.

(a) The Commandant may authorize a recognized classification society to participate in the ACP. Authorization will be based on a satisfactory review of:

(1) Applicable class rules; and

(2) Applicable classification society procedures.

(b) Authorization for a recognized classification society to participate in the ACP will require development of a U.S. Supplement to the society’s class rules that meets the requirements of §8.430 of this part, which must be accepted by the Coast Guard.

(c) A recognized classification society:

(1) Will be eligible to receive authorization to participate in the ACP only after the Coast Guard has delegated to it the authority to issue the following certificates:

(i) International Load Line Certificate;

(ii) International Tonnage Certificate;

(iii) Cargo Ship Safety Construction Certificate;

(iv) Cargo Ship Safety Equipment Certificate; and

(v) International Oil Pollution Prevention Certificate; and

(2) Must have performed a delegated function related to general vessel safety assessment, as defined in §8.100 of this part, for a two-year period.

(d) If, after this two-year period, the Coast Guard finds that the recognized classification society has not demonstrated the necessary satisfactory performance or lacks adequate experience, the recognized classification society will not be eligible to participate in the ACP. The Coast Guard will provide the reason for this determination to the recognized classification society. A classification society may appeal the decision of the Coast Guard concerning recognition to the Commandant in writing in accordance with 46 CFR 1.03–15(h)(4).

(e) The Coast Guard will enter into a written agreement with a recognized classification society authorized to participate in the ACP. This agreement will define the scope, terms, conditions and requirements of the necessary delegation. Conditions of this agreement are presented in §8.130.
