examining facility designated by the Service Academies Central Medical Review Board. The required physical examination shall occur within 1 year preceding the date of admission to the Academy. Although there is no charge for such examination, all expenses (including travel, meals and hotel accommodations) incurred in obtaining such examination shall be borne by the applicant. Candidates may be subject to reexamination upon reporting to the Academy and at any time while attending the Academy.

(c) Physical reexamination. A candidate who is rejected for failure to meet the physical requirements may request either a reevaluation of the examination results or a reexamination. A midshipman failing to meet the physical requirements while attending the Academy is entitled to make the same request.

(d) Waivers. Some medical requirements may be waived for enrolled students and applicants to the USMMA who require such a medical waiver to qualify for admission and/or retention. Since commissioning in the United States Navy, or any other branch of the Armed Forces, is a requirement for graduation, no waivers will be granted for medical conditions which would prevent commissioning in at least a restricted status in the U.S. Navy Reserve. Individuals interested in waiver consideration may request a waiver by writing to the Superintendent, USMMA. The granting of medical waivers will be based on U.S. Navy guidelines and regulations for waiver consideration for admission to the U.S. Naval Academy and the physical requirements consistent with commissioning as a reserve officer in the U.S. Navy in a restricted line program. Individuals requesting medical waivers must be able to meet all other admission requirements, including the physical examination requirement for an original U.S. Coast Guard merchant marine license as a third mate and/or third assistant engineer. The decision of the Superintendent on any requested waiver is administratively final.

(e) Reporting to the Academy. Candidates who accept offers of appointment shall, pursuant to instructions issued by the Academy, report to the Academy on a specified date in mid-July for orientation and induction.

(f) Oath. Each midshipman who is a citizen of the United States shall take the following oath of office at the Academy:

“I,_____, having been appointed a midshipman to the U.S. Merchant Marine Academy, accept appointment and do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I will comply with all the regulations of the U.S. Merchant Marine Academy; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter, so help me God.”

(g) Birth Certificate. Each candidate shall present a certificate of birth authenticated by an authorized official.

§310.58 Service obligation for students executing or reexecuting contracts.
