§ 401.451 Pilot rest periods.

(a) Except as provided in paragraph (b) of this section:

(1) Each Registered Pilot upon completing an assignment at a change point designated in § 401.450, and

(j) Duluth/Superior and Port William/Port Arthur with respect to assignments originating at Gros Cap.

§ 401.452 Certification of support services.

Each association holding a Certificate of Authorization shall certify each year whether any support service entity is directly or indirectly related by beneficial ownership to that association or to a United States registered pilot who is also a member of that association.
