### § 530.6 Certification of shipper status.

(a) *Certification*. The shipper contract party shall sign and certify on the signature page of the service contract its shipper status (e.g., owner of the cargo, shippers' association, NVOCC, or specified other designation), and the status of every affiliate of such contract party or member of a shippers' association entitled to receive service under the contract.

(b) *Proof of tariff and financial responsibility*. If the certification completed by the contract party under paragraph (a) of this section identifies the contract party or an affiliate or member of a shippers' association as an NVOCC, the ocean common carrier, conference or agreement shall obtain proof that such NVOCC has a published tariff and proof of financial responsibility as required under sections 8 (46 U.S.C. 40501-40503) and 19 (46 U.S.C. 40901-40904) of the Act before signing the service contract. An ocean common carrier, conference or agreement can obtain such proof by the same methods prescribed in § 515.27 of this chapter.

(c) *Joining shippers' association during term of contract*. If an NVOCC joins a shippers' association during the term of a service contract and is thereby entitled to receive service under the contract, the NVOCC shall provide to the ocean common carrier, agreement or conference the proof of compliance required by paragraph (b) of this section prior to making any shipments under the contract.

(d) *Reliance on NVOCC proof; independent knowledge*. An ocean common carrier, agreement or conference executing a service contract shall be deemed to have complied with section 10(b)(12) of the Act (46 U.S.C. 41104(12)) upon meeting the requirements of paragraphs (a) and (b) of this section, unless the carrier party had reason to know such certification or documentation of NVOCC tariff and bonding was false.
