§ 0.451 Inspection of records: Generally.

(a) Records which are routinely available for public inspection. Sections 0.453 and 0.455 list those Commission records which are routinely available for public inspection and the places at which those records may be inspected. Procedures governing requests for inspection of such records are set out in §0.460.

(b) Records which are not routinely available for public inspection. Records which are not listed in §0.453 or §0.455 are not routinely available for public inspection. Such records fall into two categories.

(1) The first category consists of those records or kinds of records listed in §0.457 and of particular records withheld from public inspection under
§ 0.459. The Commission has determined that there is a statutory basis for withholding these records from public inspection. In some cases, the Commission is prohibited from permitting the inspection of records. In other cases, the records are the property of another agency, and the Commission has no authority to permit their inspection. In still other cases, the Commission is authorized, for reason of policy, to withhold records from inspection, but is not required to do so.

(2) The second category consists of records that are not listed in § 0.453, § 0.455, or § 0.457 and have not been withheld from inspection under § 0.459. In some cases, these records have not been identified for listing. In other cases (e.g., the general correspondence files), the Commission is unable to determine either that all records in a class should be routinely available for inspection or that all records in that class should not be routinely available for inspection, and individualized determination is required.

(3) Procedures governing requests for inspection of these records are set forth in § 0.461.

(4) Procedures governing demands by competent authority for inspection of these records are set forth in § 0.463.

(5) Except as provided in § 0.461 and § 0.463, or pursuant to § 19.735–203 of this chapter, no officer or employee of the Commission shall permit the inspection of records which are not routinely available for public inspection under § 0.453 or § 0.455, or disclose information contained therein.

NOTE TO PARAGRAPH (4): The Commission may require advance payment pursuant to § 0.469 before releasing documents.
