§ 64.1505 Restrictions on collect telephone calls.

(a) No common carrier shall provide interstate transmission or billing and collection services to an entity offering any service within the scope of §64.1501(a)(1) that is billed to a subscriber on a collect basis at a per-call or per-time-interval charge that is greater than, or in addition to, the charge for transmission of the call.

(b) No common carrier shall provide interstate transmission services for any collect information services billed to a subscriber at a tariffed rate unless the called party has taken affirmative action clearly indicating that it accepts the charges for the collect service.

§ 64.1506 Number designation.

Any interstate service described in §64.1501(a)(1)–(2), and not subject to the exclusions contained in §64.1501(a)(4), shall be offered only through telephone numbers beginning with a 900 service access code.

§ 64.1507 Prohibition on disconnection or interruption of service for failure to remit pay-per-call and similar service charges.

No common carrier shall disconnect or interrupt in any manner, or order the disconnection or interruption of, a telephone subscriber’s local exchange or long distance telephone service as a result of that subscriber’s failure to pay:

(a) Charges for interstate pay-per-call service;

(b) Charges for interstate information services provided pursuant to a presubscription or comparable arrangement; or

(c) Charges for interstate information services provided on a collect basis which have been disputed by the subscriber.

§ 64.1508 Blocking access to 900 service.

(a) Local exchange carriers must offer to their subscribers, where technically feasible, an option to block access to services offered on the 900 service access code. Blocking is to be offered at no charge, on a one-time basis, to:

(1) All telephone subscribers during the period from November 1, 1993 through December 31, 1993; and

(2) Any subscriber who subscribes to a new telephone number for a period of
