§ 76.1514 Bundling of video and local exchange services.

An open video system operator may offer video and local exchange services for sale in a single package at a single price, provided that:

(a) The open video system operator, where it is the incumbent local exchange carrier, may not require that a subscriber purchase its video service in order to receive local exchange service; and

(b) Any local exchange carrier offering such a package must impute the unbundled tariff rate for the regulated service.
