12. PUBLIC RELEASE. Any information classified or unclassified pertaining to this contract shall not be released for public dissemination except as provided by the Industrial Security Manual or unless it has been approved for public release by appropriate U.S. Government authorities. Proposed public releases shall be submitted for approval prior to release.

In the event of a public release, requests for disclosure shall be submitted to the agency.

13. SECURITY GUIDANCE. The security classification guidance needed for this classified effort is attached and is available for review in a classified environment. If any difficulty is encountered in applying the guidance or if any other contributing factor indicates need for changes in this guidance, the contractor is authorized and encouraged to provide recommended changes for review by the guidance or the classification system. Any information or material furnished or generated under this contract, and to submit any questions for interpretation of this guidance to the official identification. If any information received shall be held and protected at the highest level of classification assigned in this guidance. (D) or as appropriate for the classified effort. Attach a separate sheet to this form if additional pages are needed to provide complete guidance.

14. ADDITIONAL SECURITY REQUIREMENTS. Requirements, in addition to Defense requirements, are established for this contract. If yes, identify the contractor and the classified effort. If no, identify the classified effort. If yes, provide a copy of the requirements to the appropriate official. Use form 22 additional pages if needed.

15. INSPECTIONS. Inspections of this contract are outside the jurisdiction of the cognizant security office. If yes, identify the specific areas or elements covered and the activity responsible for inspections. Use form 22 additional pages if needed.

16. CERTIFICATION AND SIGNATURE. Security requirements stated herein are complete and adequate for safeguarding the classified information to be released or generated under this classified effort. All questions shall be referred to the authorized person or official authorized.
