(2) Awards made to foreign vendors for work performed outside the United States;

(3) Classified contracts or purchases when electronic submission and processing of payment requests could compromise the safeguarding of classified information or national security;

(4) Contracts awarded by deployed contracting officers in the course of military operations, including, but not limited to, contingency operations as defined in 10 U.S.C. 101(a)(13) or humanitarian or peacekeeping operations as defined in 10 U.S.C. 2302(8), or contracts awarded by contracting officers in the conduct of emergency operations, such as responses to natural disasters or national or civil emergencies;

(b) DoD officials receiving payment requests in electronic form shall process the payment requests in electronic form. Any supporting documentation necessary for payment, such as receiving reports, contracts, contract modifications, and required certifications, also shall be processed in electronic form. Scanned documents are acceptable for processing supporting documentation other than receiving reports and other forms of acceptance.

(1) Payment requests and receiving reports shall be submitted by facsimile or conventional mail. The contracting officer shall consult with the payment office and the contract administration office regarding the method of payment request to be used; and

(2) Section G of the contract shall specify the method of payment request.
