The notice shall include a statement to the effect that payments will be withheld if the default is not cured within the time period specified in the notice or if the default is not determined to be excusable.

(1) If the contractor cures the failure or the Contracting Officer determines it to be excusable, the Contracting Officer shall not initiate the withholding action.

The notice shall include a statement to the effect that payments will be withheld, if the default is not cured within the time period specified in the notice or if the default is not determined to be excusable.

(1) If the contractor cures the failure or the Contracting Officer determines it to be excusable, the Contracting Officer shall not initiate the withholding action.

(2) If the Contracting Officer does not determine the failure excusable or the contractor does not provide a response within the allotted time, the Contracting Officer shall initiate withholding action on all contract payments and shall determine whether termination for convenience or other action would be in the best interest of the Government.
