552.246-72 Final Inspection and Tests

As prescribed in 546.312, insert the following clause:

**FINAL INSPECTION AND TESTS (SEP 1999)**

The Contractor shall give written notice to the Contracting Officer at least 10 calendar days before the date the work will be completed and ready for final inspection and tests. Final inspection and tests will begin within 10 calendar days after the date specified in the Contractor's notice unless the Contracting Officer determines that the work is not ready for final inspection and so informs the Contractor.

48 CFR 5 (10–1–11 Edition)

supply of GSA Form 308 and/or DD Form 250, and complete instructions for their repair and distribution.

(c) Inspection facilities. (1) The inspection system required to be maintained by the Contractor in accordance with FAR 52.246–2, Inspection of Supplies—Fixed Price, may be the Contractor's own facilities or any other facilities acceptable to the Government. The facilities shall be utilized to perform all inspections and tests of materials and components before incorporation into end articles, and for the inspection of such end articles before shipment. The Government reserves the right to evaluate the acceptability and effectiveness of the Contractor's inspection system before award and periodically during the contract period.

(2) Offerors are required to specify, in the spaces provided elsewhere in the solicitation, the name and address of each manufacturing plant or other facility where supplies will be available for inspection, indicating the item number(s) to which each applies.

(3) The Contractor shall deliver the items specified in this contract from a plant or warehouse located within the United States (including Puerto Rico and the U.S. Virgin Islands) that is equipped to perform all inspections and tests required by this contract or specifications to evidence conformance therewith, or shall arrange with a testing laboratory or other facility in the United States, acceptable to the Government, to perform the required inspections and tests.

(d) Availability of records. (1) In addition to any other requirement of this contract, the Contractor shall maintain records showing the following information for each order received under the contract: (i) order number; (ii) date order received by the Contractor; (iii) quantity ordered; (iv) date scheduled into production; (v) batch or lot number, if applicable; (vi) date inspected and/or tested; (vii) date available for shipment; (viii) date shipped or date service completed; and (ix) National Stock Number (NSN), or if none is provided in the contract, the applicable item number or other contractual identification.

(2) These records shall be maintained at the point of source inspection and shall be available to the Contracting Officer, or an authorized representative, for (i) 3 years after final payment; or (ii) 4 years from the end of the Contractor's fiscal year in which the record was created, whichever period expires first.

(e) Additional cost for inspection and testing. The Contractor will be charged for any additional cost for inspecting/testing or reinspection/retesting supplies for the reasons stated in paragraph (c) of FAR 52.246–2, Inspection of Supplies—Fixed Price. When inspection or testing is performed by or under the direction of GSA, charges will be at the rate of $ per man-hour or fraction thereof if the inspection is at a GSA distribution center; $ per man-hour or fraction thereof, plus travel costs incurred, if the inspection is at any other location; and $ per man-hour or fraction thereof for laboratory testing, except that when a testing facility other than a GSA laboratory performs all or part of the required tests, the Contractor shall be assessed the actual cost incurred by the Government as a result of testing at such facility. When inspection is performed by or under the direction of any agency other than GSA, the charges indicated above may be used, or the agency may assess the actual cost of performing the inspection and testing.

(f) Responsibility for rejected supplies. When the Contractor fails to remove or provide instructions for the removal of rejected supplies under FAR 52.246–2(h) pursuant to the Contracting Officer's instructions, the Contractor shall be liable for all costs incurred by the Government in taking such measures as are expedient to avoid unnecessary loss to the Contractor. In addition to the remedies provided in FAR 52.246–2, supplies may be—

(1) Stored for the Contractor's account;
(2) Reshipped to the Contractor at its expense (any additional expense incurred by the Government or the freight carrier caused by the refusal of the Contractor to accept their return shall also be for the Contractor's account); or
(3) Sold to the highest bidder on the open market and the proceeds applied against the accumulated storage and other costs, including the cost of the sale.

(End of clause)

* The rates to be inserted are established by the Commissioner of the Federal Acquisition Service or a designee.

ADDITIONAL CONTRACT WARRANTY PROVISIONS FOR SUPPLIES OF A NONCOMPLEX NATURE (JUL 09)

(a) Definitions. Correction, as used in this clause, means the elimination of a defect.

(b) Contractor's obligations. When return, correction, or replacement is required, the Contractor shall be responsible for all costs attendant to the return, correction, or replacement of the nonconforming supplies. Any removal in connection with the above shall be done by the Contractor at its expense.

(c) Remedies available to the Government. When the nature of the defect in the nonconforming item is such that the defect affects an entire batch or lot of material, then the equitable price adjustment shall apply to the entire batch or lot of material from which the nonconforming item was taken.
