IT Service Contracts are as follows:

- Processing requirements for Low Risk non-IT Service Contracts.
- The Office of Security headquarters.
- States for the last two years; and
- Employed under this contract within the United States for the last two years.
- Authorized must be completed within 180 days.
- Fingerprints and a Credit Release Authority must be completed within 180 days.
- As prescribed in 48 CFR 1337.110–70(c), insert the following clause:

SECURITY PROCESSING REQUIREMENTS—LOW RISK CONTRACTS (APR 2010)

(a) Investigative Requirements for Low Risk Contracts. All contractor (and subcontractor) personnel proposed to be employed under a Low Risk contract shall undergo security processing by the Department’s Office of Security before being eligible to work on the premises of any Department of Commerce owned, leased, or controlled facility in the United States or overseas, or to obtain access to a Department of Commerce IT system. All Department of Commerce security processing pertinent to this contract will be conducted at no cost to the contractor.

(b) Investigative requirements for Non-IT Service Contracts are:

(1) Contracts more than 180 days—National Agency Check and Inquiries (NACI).

(2) Contracts less than 180 days—Special Agency Check (SAC).

(c) Investigative requirements for IT Service Contracts are:

(1) Contracts more than 180 days—National Agency Check and Inquiries (NACI).

(2) Contracts less than 180 days—National Agency Check and Inquiries (NACI).

(d) In addition to the investigations noted above, non-U.S. citizens must have a background check that includes an Immigration and Customs Enforcement agency check.

(e) Additional Requirements for Foreign Nationals (Non-U.S. Citizens). Non-U.S. citizens (lawful permanent residents) to be employed under this contract within the United States must have:

(1) Official legal status in the United States;
(2) Continuously resided in the United States for the last two years; and
(3) Obtained advance approval from the servicing Security Officer in consultation with the Office of Security headquarters.

(f) DOC Security Processing Requirements for Low Risk Non-IT Service Contracts. Processing requirements for Low Risk non-IT Service Contracts are as follows:

(1) Processing of a NACI is required for all contract employees employed in Low Risk non-IT service contracts for more than 180 days. The Contracting Officer’s Representative (COR) will invite the prospective contractor into e-QIP to complete the SF-85. The contract employee must also complete fingerprinting.

(2) Contract employees employed in Low Risk non-IT service contracts for less than 180 days require processing of Form OFI–86C Special Agreement Check (SAC), to be processed. The Sponsor will forward a completed Form OFI–86C, FD–258, Fingerprint Chart, and Credit Release Authorization to the servicing Security Officer, who will send the investigative packet to the Office of Personnel Management for processing.

(3) Any contract employee with a favorable SAC who remains on the contract over 180 days will be required to have a NACI conducted to continue working on the job site.

(4) For Low Risk non-IT service contracts, the scope of the SAC will include checks of the Security/Suitability Investigations Index (SII), other agency files (INVA), Defense Clearance Investigations Index (DCII), FBI Fingerprint (FRIP), and the FBI Information Management Division (FBIN).

(5) In addition, for those individuals who are not U.S. citizens (lawful permanent residents), the Sponsor may request a Customs Enforcement SAC on Form OFI–86C, by checking Block #7, Item I. In Block 13, the Sponsor should enter the employee’s Alien Registration Receipt Card number to aid in verification.

(6) Copies of the appropriate forms can be obtained from the Sponsor or the Office of Security. Upon receipt of the required forms, the Sponsor will forward the forms to the servicing Security Officer. The Security Officer will process the forms and advise the Sponsor and the Contracting Officer whether the contract employee can commence work prior to completion of the suitability determination based on the type of work and risk to the facility (i.e., adequate controls and restrictions are in place). The Sponsor will notify the contractor of favorable or unfavorable findings of the suitability determinations. The Contracting Officer will notify the contractor of an approved contract start date.

(2) Security Processing Requirements for Low Risk IT Service Contracts. Processing of a NACI is required for all contract employees employed under Low Risk IT service contracts.

(1) Contract employees employed in all Low Risk IT service contracts will require a National Agency Check and Inquiries (NACI) to be processed. The Contracting Officer’s Representative (COR) will invite the prospective contractor into e-QIP to complete the SF-85. Fingerprinting and a Credit Release Authorization must be completed within the SF–85. Fingerprint Authority must be completed within 180 days.
Department of Commerce

three working days from start of work, and provided to the Servicing Security Officer, who will forward the investigative package to OPM.

(c) For Low Risk IT service contracts, individuals who are not U.S. citizens (lawful permanent residents) must undergo a NACI that includes an agency check conducted by the Immigration and Customs Enforcement Service. The Sponsor must request the ICE check as a part of the NAC.

(d) Security Procedures. Position sensitivity/risk assessments must be conducted on all functions that are performed under the contract. Risk assessments for contractor employees are determined in the same manner as assessment of those functions performed by government employees. The Contracting Officer and Contracting Officer’s Representative should determine the level of sensitivity or risk with the assistance of the servicing Security Officer.

(1) Contractor employees working on National Security Contracts must have a completed investigation and be granted an appropriate security level clearance by the Office of Security before start of work.

(2) The Contracting Officer’s Representative must send the contract employee’s existing security clearance information, if applicable, or appropriate investigative request package, to the servicing Security Officer, who will review and forward it to the Office of Security.

(3) The Office of Security must confirm that contract employees have the appropriate security clearance before starting any work under a National Security Contract.

(e) Security Forms Required. For Critical-Sensitive positions with Top Secret access, Critical-Sensitive positions with Secret access, and Non-Critical Sensitive positions with Secret or Confidential access, the following forms are required:

(1) Form SF-86, Questionnaire for National Security Positions, marked “CON” in Block 1, Position Title, to distinguish it as a contractor case;

(2) Form FD-258, Fingerprint Chart, with OPM’s designation in the ORI Block; and
