Overhead and Special Cost and Contract Close-Out Branch, Office of Acquisition and Assistance (OCC) provides staff assistance to the Director concerning OMB Circular A–122. OCC is also responsible for obtaining cognizance under the criteria in the transmittal letter for OMB Circular A–122; for liaison with other cognizant agencies; for authorizing exclusion of OMB Circular A–122 coverage for a particular nonprofit organization pursuant to paragraph 5 of the OMB Circular A–122 transmittal letter; and for advice and assistance in applying OMB Circular A–122 cost principles.

(b) Paragraph 4b of the OMB Circular A–122 transmittal letter contains a definition of prior approval as follows:

Prior approval means securing the awarding agency’s permission in advance to incur costs for those items that are designated as requiring prior approval by OMB Circular A–122. Generally, this permission will be in writing. Where an item of cost requiring prior approval is specified in the budget of an award, approval of the budget constitutes approval of that cost.

Consequently, an award containing a budget constitutes prior approval of the direct cost item in the budget, unless otherwise annotated. Accordingly, award budgets should be appropriately annotated substantially as follows:

Inclusion of any cost in the line item budget of this award does not obviate the requirement for prior approval of cost items designated as requiring prior approval by OMB Circular A–122; or

In accordance with the requirements to OMB Circular No. A–122, approval is granted to incur costs for (name specific item or items) which are included in the budget of this award.

731.771 Bid and proposal costs.

Pending the establishment of Government-wide principles in Attachment B of OMB Circular A–122, USAID will treat bid and proposal costs as follows:

(a) Bid and proposal costs are the costs of preparing bids, proposals, and applications for potential activities such as Government and non-Government grants, contracts and other agreements, including the development of scientific, cost, and other data needed to support such bids, proposals, and applications. Except as provided in (b) below, bid and proposal costs of the current accounting period of both successful and unsuccessful bids and proposals normally should be treated as indirect costs for allocation to all current activities, and no bid and proposal costs of past accounting periods will be allocable to the current period. However, if the organization’s established practice is to treat bid and proposal costs by some other method, the results obtained may be accepted only if found to be reasonable and equitable.

(b) Bid and proposal costs incurred by the organization to obtain unrestricted funds are to be treated as fund raising and allocated an appropriate share of indirect costs under the conditions described in paragraph B.3 of Attachment A to OMB Circular A–122.

731.772 Compensation for personal services.
