801.602–79 Processing solicitations and contract documents for legal or technical review—Veterans Benefits Administration.

(a) Contracting officer must ensure that proposed solicitations, quotations, contract-related documents, and agreements listed in Table 801.602–71 are reviewed by the Office of Resource Management prior to document execution. The Office of Resource Management must request legal review of all these documents.

(b) Contracting officer must ensure that proposed solicitations or agreements for guidance center and vocational rehabilitation services are reviewed by the Director, Vocational Rehabilitation and Employment Service, if there is an anticipated expenditure of $100,000 or more.

An Office of Construction and Facilities Management or National Cemetery Administration (Construction Support Division) contracting officer shall submit all A/E contracts, and all construction contracts, time extensions, and modifications, directly to Office of General Counsel (OGC) for review.

801.602–81 Documents required for business clearance reviews.

When a bid or offer, proposed contract modification, or proposed lease requires a business clearance review under 801.602–76, the contracting officer must forward the required documents (see 801.602–84) and the following information to the appropriate Acquisition Resources Service central or regional office. Office of Construction and Facilities Management and National Cemetery Administration (Construction Support Division) contracting officers shall forward the documents to OGC (025):

(a) The date on which award is anticipated.

(b) Results or efforts made to determine whether the contractor is responsible under FAR Subpart 9.4.

(c) A determination of price reasonableness.

(d) An explanation (e.g., the source selection decision as specified in FAR 15.308) if the contracting officer proposes an award to a contractor other than the low responsible bidder or offeror.

801.602–82 Documents to submit for legal or technical review—general.

Table 801.602–82 specifies the documents that must be submitted when a legal or technical review is required.

801.602–83 Documents to submit for legal or technical review—contract modifications.

(a) The documents specified in this section related to proposed contract modifications must be submitted to Acquisition Resources Service for review under one or more of the following conditions:
(1) When the total modification value is $100,000 or more.
(2) When the modification is for a time extension of 60 days or more.
(3) Where the contractor takes exception to VA’s accord and satisfaction language.

(b) The contracting officer must submit the following documents for review:
(1) A draft of the proposed modification prepared on SF 30, Amendment of Solicitation/Modification of Contract, specifying the exact language proposed and describing any change in work, time, or cost.
(2) A statement describing the need for the changed work with any back-up documentation, including a copy of the general statement of work in the original contract and any existing contract language that will be modified.
(3) A statement addressing whether the proposed modification is within the original scope of the contract and specifically addressing the facts considered in reaching the conclusion.
(4) A statement analyzing what necessitated the modification (e.g., a design error, technical changes, or medical center requirements).
(5) The contracting officer’s technical representative’s (COTR) technical evaluation of the proposed change.
(6) A memorandum from the appropriate office indicating that funds are available or a statement concerning the actions that must be taken to secure the required funds.
(7) The names and telephone numbers of the contracting officer and COTR.
(8) Costing information including the following:
   (i) The contractor’s cost proposal in the format required by the contract.
   (ii) The COTR’s independent cost evaluation.
   (iii) The architect/engineer’s independent cost evaluation, if applicable and available.
   (iv) The contracting officer’s Price Negotiation Memorandum under FAR 15.406–3.
   (v) Any other relevant costing information, such as independent market research, that VA used or will use as negotiation criteria.
   (c) For a proposed modification to an architect/engineer contract, the contracting officer must submit for review each document specified in paragraph (b) of this section and the following additional documents.
   (1) A listing of the fees awarded in the original contract and previous modifications.
   (2) For a working drawing contract, a statement regarding the actual or estimated cost of the original construction and any estimated change to the overall project cost as a result of the proposed modification.

(d) For a modification to a construction contract or, where applicable, to an architect/engineer contract, the contracting officer must submit for review a copy of the COTR’s mark-up of any drawing that delineates the proposed changed work, including a copy of any pertinent technical specifications. When there is a proposed modification involving numerous changes to drawings and specifications for a VA Central Office project, the drawings and specifications must be available for review in the Office of the Project Director in VA Central Office.

801.602–84 Documents to submit for business clearance reviews.
