the contracting officer may disqualify the offeror from award under FAR 9.504(e).

(c) Even if awarding a contract will result in an organizational conflict of interest, the contracting officer may request a waiver from his or her HCA if awarding the contract is in the best interests of the Government.

(1) Before granting a waiver request under this paragraph, the HCA must obtain the concurrence of OGC.

(2) If the HCA grants a waiver request, the contracting officer may set contract terms and conditions to reduce any organizational conflict of interest to the greatest extent possible.

(d) In any solicitation for the services addressed at FAR 9.502, the contracting officer must require that each offeror submits a statement with its offer disclosing all facts relevant to an existing or potential organizational conflict of interest involving the contractor or any subcontractor during the life of the contract (see 809.507–1(b) and 852.209–70).

809.507 Solicitation provisions and contract clause.

809.507–1 Solicitation provisions.

(a) While conflicts of interest may not presently exist, award of certain types of contracts may create potential future organizational conflicts of interest (see FAR 9.506 for examples). If a solicitation may create a potential future organizational conflict of interest, the contracting officer shall insert a provision in the solicitation imposing an appropriate restraint on the contractor’s eligibility for award of contracts in the future. Under FAR 9.507–1, the restraint must be appropriate to the nature of the conflict and may exclude the contractor from award of one or more contracts in the future.

(b) The clause at 852.209–70, Organizational conflicts of interest, must be included in any solicitation for the services addressed in FAR 9.502.
