5145.303 Providing material.

(S–90) Existing Government material on hand or being used prior to conversion to contractor performance of commercial activities may be offered to contractors if it is determined to be in the best interest of the Government under FAR 45.303–1. If the material is to be provided without replacement by the Government, the solicitation must state that it will not be replaced. If it is determined that the Government will be responsible for replacement of any of the material, those items must be listed on a separate Technical Exhibit and the solicitation state that replacement will be by the Government. These items will be governed by the appropriate Government Property Clause in the contract in accordance with FAR 52.245–2 for fixed-price and FAR 52.245–5 for cost-reimbursement type contracts.

PART 5152—SOLICITATIONS PROVISIONS AND CONTRACT CLAUSES

Sec. 5152.208–9001 Industrial preparedness planning.
5152.245–9000 Government property for installation support services (fixed-price contracts).
5152.245–9001 Government property for installation support services (cost-reimbursement contracts).

5152.208–9001 Industrial preparedness planning.

As prescribed at 5108–070(g)(4) insert the following clause in full text in contracts where the contractor is designated a Limited Fee Planned Producer.

INDUSTRIAL PREPAREDNESS PLANNING (XXX 1989) (DEV)

(a) The Government designates the contractor a Limited Fee Planned Producer (LFPP) for the item(s) listed in paragraph (e) of this clause. As an LFPP for the listed items, the contractor will be solicited for all acquisitions over $25,000 which are for the item(s), excluding those for which competition is restricted to the Restricted Specified Base pursuant to an approved Justification and Approval. The Government reserves the right to obtain the item(s) listed from sources other than the commercial marketplace, i.e. by assigning workload to a government-owned facility.

(b) The Contractor agrees to:

(i) Update the Production Capacity Survey DD Form 1519 TEST for each item biennially;

(ii) Accomplish subcontractor planning as required in paragraph (f) of this clause;

(iii) Permit Government personnel access to records, manufacturing process data, plants and facilities in order to verify data on the Production Capacity Survey DD Form 1519 TEST;

(iv) Maintain the surge/mobilization capacity set forth in the Production Planning Schedules during active production of the item and for a period of (negotiated number) years after physical completion of this production contract.

(c) The Contractor is aware of the Government’s dependence upon the Production Planning Schedules as a basis to take appropriate measures to ensure the adequacy of the United States Industrial Base. The Contractor also recognizes the Government’s intention to convert Production Planning Schedule to contracts on a selective basis, as may be required to minimize material shortages during mobilization or to meet contingencies short of a declared national emergency. The Contractor agrees to accept contracts for the item(s) in accordance with the Production Planning Schedules. In the event mobilization or contingencies short of a declared national emergency occur after active production has ceased, and the allocated capacity is in use for the production of other item(s), the Contractor agrees to immediately discontinue production of such other item(s) if necessary to meet production schedules for the planned item(s). The Contractor further recognizes that it is the Government’s intention to convert subcontractor support will be similarly converted to production subcontracts. Production delivery obligations under this clause are governed by Title I of the Defense Production Act of 1950, as amended (50 U.S.C. app. 2061, et seq.) (Defense Production Act) and as applicable are within the purview of the Defense Priorities and Allocation System.

(d) For the listed item(s), the Contractor certifies by signing this contract that the plant capacity required to support the mobilization quantity listed on the Production Capacity Survey DD Form 1519 TEST will be dedicated exclusively for the production of that item at mobilization. Furthermore, the Contractor certifies that this capacity is not shared by any other mobilization production requirements.

(e) This clause covers the item(s) listed below:
Department of the Army

5152.245–9000 Government property for installation support services (fixed-price contracts).

As prescribed in 5145.302–3(S–91), insert the following:

GOVERNMENT PROPERTY FOR INSTALLATION SUPPORT SERVICES (FIXED-PRICE CONTRACTS) (OCT 1989) (DEV)

The Government property listed at Technical Exhibit ____ is provided “as is” to the contractor for use in the performance of this contract. This property may be used by the Contractor until the Contractor no longer desires to use it for contract performance or the Contracting Officer withdraws it from use under this contract in accordance with FAR 52.245-2(b). The Contractor will comply with instructions from the Contracting Officer relative to disposition of the property. No equitable adjustment or other claim will be payable to the Contractor based upon the condition or availability of the property, except as provided in FAR 52.245-2.
