§ 350.331 How does a State ensure its laws and regulations are compatible with the FMCSRs and HMRs?

(a) A State must review any new law or regulation affecting CMV safety as soon as possible, but in any event immediately after enactment or issuance, for compatibility with the FMCSRs and HMRs.

(b) If the review determines that the new law or regulation is incompatible with the FMCSRs and/or HMRs, the State must immediately notify the Motor Carrier State Director.

(c) A State must conduct an annual review of its laws and regulations for compatibility and report the results of that review in the annual CVSP in accordance with § 350.213(l) along with a certification of compliance, no later than August 1 of each year. The report must include the following two items:
   (1) A copy of the State law, regulation, or policy relating to CMV safety that was adopted since the State’s last report.
   (2) A certification, executed by the State’s Governor, Attorney General, or other State official specifically designated by the Governor, stating that the annual review was performed and that State CMV safety laws remain compatible with the FMCSRs and HMRs. If State CMV laws are no longer compatible, the certifying official shall explain.

(d) As soon as practical after the effective date of any newly enacted regulation or amendment to the FMCSRs or HMRs, but no later than three years after that date, the State must amend its laws or regulations to make them compatible with the FMCSRs and/or HMRs, as amended.

§ 350.333 What are the guidelines for the compatibility review?

(a) The State law or regulation must apply to all segments of the motor carrier industry (i.e., for-hire and private motor carriers of property and passengers).

(b) Laws and regulations reviewed for the CDL compliance report are excluded from the compatibility review.

(c) Definitions of words or terms must be consistent with those in the FMCSRs and HMRs.

(d) A State must identify any law or regulation that is not the same as the corresponding Federal regulation and evaluate it in accordance with the table to this section as follows:
§ 350.335 What are the consequences if my State has laws or regulations incompatible with the Federal regulations?

(a) A State that currently has compatible CMV safety laws and regulations pertaining to interstate commerce (i.e., rules identical to the FMCSRs and HMRs) and intrastate commerce (i.e., rules identical to or within the tolerance guidelines for the FMCSRs and identical to the HMRs) but enacts a law or regulation which results in an incompatible rule will not be eligible for Basic Program Funds nor Incentive Funds.

(b) A State that fails to adopt any new regulation or amendment to the FMCSRs or HMRs within three years of its effective date will be deemed to have incompatible regulations and will not be eligible for Basic Program nor Incentive Funds.

(c) Those States with incompatible laws or regulations pertaining to intrastate commerce and receiving 50 percent of their basic formula allocation on April 20, 2000 will continue at that level of funding until those incompatibilities are removed, provided no further incompatibilities are created.

(d) Upon a finding by the FMCSA, based upon its own initiative or upon a petition of any person, including any State, that your State law, regulation or enforcement practice pertaining to CMV safety, in either interstate or intrastate commerce, is incompatible with the FMCSRs or HMRs, the FMCSA may initiate a proceeding under §350.215 for withdrawal of eligibility for all Basic Program and Incentive Funds.

(e) Any decision regarding the compatibility of your State law or regulation with the HMRs that requires an interpretation will be referred to the Research and Special Programs Administration of the DOT for such interpretation before proceeding under §350.215.

§ 350.337 How may State laws and regulations governing motor carriers, CMV drivers, and CMVs in interstate commerce differ from the FMCSRs and still be considered compatible?

States are not required to adopt 49 CFR parts 398 and 399, subparts A through E and H of part 107, and §§171.15 and 171.16, as applicable to either interstate or intrastate commerce.

§ 350.339 What are tolerance guidelines?

Tolerance guidelines set forth the limited deviations from the FMCSRs allowed in your State’s laws and regulations. These variances apply only to motor carriers, CMV drivers and CMVs engaged in intrastate commerce and not subject to Federal jurisdiction.

§ 350.341 What specific variances from the FMCSRs are allowed for State laws and regulations governing motor carriers, CMV drivers, and CMVs engaged in intrastate commerce and not subject to Federal jurisdiction?

(a) A State may exempt a CMV from all or part of its laws or regulations applicable to intrastate commerce, provided that neither the GVW, GVWR, GCW, nor GCWR of the vehicle equals or exceeds 11,801 kg (26,001 lbs.). However, a State may not exempt a CMV
