§ 1248.2 Items to be reported.

(a) The following items are to be reported quarterly and annually by class I railroads:

1. Average number of miles of road operated in freight service.

2. For each commodity code used in reporting, except that the number of carloads for commodity code 431, “Small packaged freight shipments,” shall be omitted, the following items:

   - Revenue freight originating on respondent’s road:
     - Terminating on line:
     - Number of carloads.
     - Number of tons (2,000 pounds).
     - Delivered to connecting rail carriers:
     - Number of carloads.
     - Number of tons (2,000 pounds).

   - Revenue freight received from connecting rail carriers:
     - Terminating on line:
     - Number of carloads.
     - Number of tons (2,000 pounds).
     - Delivered to connecting rail carriers:
     - Number of carloads.
     - Number of tons (2,000 pounds).

   - Gross freight revenue.

(b) [Reserved]

§ 1248.3 Carload and L.C.L. traffic defined.

(a) Commodity codes 01 through 422 and 44 through 462, named in §1248.101, shall include only carload traffic. All shipments weighing less than 10,000 pounds shall be included in commodity code 431, “Small packaged freight shipments.”

(b) A carload for the purpose of this order shall consist of a shipment of not less than 10,000 pounds of one commodity. A mixed carload for the purpose of this order shall be treated as a carload of that commodity which forms the major portion of the shipment in weight. If a single shipment is loaded into more than one car, each car used shall be reported as a carload. If more than one carload shipment is loaded into one car, each shipment shall be reported separately as a carload.

§ 1248.4 Originating and connecting line traffic.

(a) Revenue freight reported as received from connecting rail carriers shall include all shipments received from connecting rail carriers, either directly or indirectly, so far as apparent from information on the waybills or abstracts.

(b) Revenue freight reported as originating on respondent’s road shall include shipments originating on line and shipments received from water lines and highway motor truck lines, except when identified as having had previous rail transportation, as provided in paragraph (a) of this section.

(c) Freight which receives its first line-haul on respondent’s road, but originates on switching roads connecting directly or indirectly with respondent’s line, shall be reported as freight originated by respondent.

(d) Revenue freight reported as delivered to connecting rail carriers shall include shipments delivered to connecting rail carriers, either directly or indirectly, as far as apparent from information on waybills or abstracts.

(e) Revenue freight reported as terminating on respondent’s road shall include shipments terminating on line and shipments delivered to water lines and highway motor truck lines, except when identified as to receive further rail transportation as provided in paragraph (d) of this section.

(f) Freight which receives its last line haul on respondent’s line, but is delivered to a switching road connecting directly or indirectly with respondent’s line, shall be reported as freight terminated by respondent.

(g) Import and export traffic received from or delivered to water carriers and traffic from and to outlying possessions of the United States received from or delivered to water carriers shall be reported as originating or terminating at the port of entry or exit.

(h) Traffic interchanged with connecting rail lines operating in Canada and Mexico shall be reported as delivered to or received from connecting rail carriers.
