(2) The place where the X-ray system is in operation.

(h) Each foreign air carrier must comply with the X-ray operator duty time limitations specified in its security program.

§ 1546.211 Law enforcement personnel.

(a) At airports within the United States not governed by part 1542 of this chapter, each foreign air carrier engaging in public charter passenger operations must—

(1) When using a screening system required by §1546.101(a), (b), or (c), provide for law enforcement officers meeting the qualifications and standards, and in the number and manner, specified in part 1542; and

(2) When using an airplane having a passenger seating configuration of 31 or more but 60 or fewer seats for which a screening system is not required by §1546.101(a), (b), or (c), arrange for law enforcement officers meeting the qualifications and standards specified in part 1542 of this chapter to be available to respond to an incident and provide to appropriate employees, including crewmembers, current information with respect to procedures for obtaining law enforcement assistance at that airport.

(b) At airports governed by part 1542 of this chapter, each foreign air carrier engaging in scheduled passenger operations or public charter passenger operations when using an airplane with a passenger seating configuration of 31 or more and 60 or fewer seats under §1546.101(c), must arrange for law enforcement personnel meeting the qualifications and standards specified in part 1542 of this chapter to be available to respond to an incident and provide to appropriate employees, including crewmembers, current information with respect to procedures for obtaining law enforcement assistance at that airport.

This section applies in the United States to each foreign air carrier operating under §1546.101(a), (b), or (e).

(a) Before a foreign air carrier authorizes and before an individual performs a function described in paragraph (b) of this section—

(1) Each individual must successfully complete a security threat assessment or comparable security threat assessment described in part 1542 of this chapter; and

(2) Each aircraft operator must complete the requirements in part 1542 subpart C.

(b) The security threat assessment required in paragraph (a) of this section applies to the following:

(1) Each individual who has unescorted access to cargo and access to information that such cargo will be transported on a passenger aircraft; or who has unescorted access to cargo that has been screened for transport on a passenger aircraft; or who performs certain functions related to the transportation, dispatch or security of cargo for transport on a passenger aircraft or all-cargo aircraft, as specified in the foreign air carrier operator’s or foreign
