Transportation Security Administration, DHS

§ 1580.103 Location and shipping information for certain rail cars.

(a) Applicability. This section applies to:

(1) Each freight railroad carrier transporting one or more of the categories and quantities of rail security-sensitive materials.

(2) Each rail hazardous materials shipper.

(3) Each rail hazardous materials receiver located with an HTUA.

(b) General requirement. Each person described in paragraph (a) of this section must have procedures in place to determine the location and shipping information for each rail car under its physical custody and control that contains one or more of the categories and quantities of rail security-sensitive materials.

(c) Required information. The location and shipping information required in paragraph (b) of this section must include the following:

(1) The rail car’s current location by city, county, and state, including, for freight railroad carriers, the railroad milepost, track designation, and the time that the rail car’s location was determined.

(2) The rail car’s routing, if a freight railroad carrier.

(3) A list of the total number of rail cars containing the materials listed in §1580.100(b) of this part, broken down by:

(i) The shipping name prescribed for the material in column 2 of the table in 49 CFR 172.101;

(ii) The hazard class or division number prescribed for the material in column 3 of the table in 49 CFR 172.101; and

(iii) The identification number prescribed for the material in column 4 of the table in 49 CFR 172.101.

(4) Each rail car’s initial and number.

(5) Whether the rail car is in a train, rail yard, siding, rail spur, or rail hazardous materials shipper or receiver facility, including the name of the rail yard or siding designation.
§ 1580.105 Reporting significant security concerns.

(a) Applicability. This section applies to:

(1) Each freight railroad carrier that operates rolling equipment on track that is part of the general railroad system of transportation.

(2) Each rail hazardous materials shipper.

(3) Each rail hazardous materials receiver located with an HTUA.

(4) Each freight railroad carrier hosting a passenger operation described in §1580.1(a)(4) of this part.

(5) Each operator of private cars, including business/office cars and circus, on or connected to the general railroad system of transportation.

(b) Each person described in paragraph (a) of this section must immediately report potential threats and significant security concerns to DHS by telephoning the Freedom Center at 1–866–615–5150.

(c) Potential threats or significant security concerns encompass incidents, suspicious activities, and threat information including, but not limited to, the following:

(1) Interference with the train crew.

(2) Bomb threats, specific and non-specific.

(3) Reports or discovery of suspicious items that result in the disruption of railroad operations.

(4) Suspicious activity occurring on board a train or inside the facility of a freight railroad carrier, rail hazardous materials shipper, or rail hazardous materials receiver that results in a disruption of operations.

(5) Suspicious activity observed at or around rail cars, facilities, or infrastructure used in the operation of the railroad, rail hazardous materials shipper, or rail hazardous materials receiver.

(6) Discharge, discovery, or seizure of a firearm or other deadly weapon on a train, in a station, terminal, facility, or storage yard, or other location used in the operation of the railroad, rail hazardous materials shipper, or rail hazardous materials receiver.

(7) Indications of tampering with rail cars.

(8) Information relating to the possible surveillance of a train or facility.
