agency, of his or her prior work experience. An employee must provide written documentation from the military, acceptable to the agency, of his or her uniformed service. The head of an agency or his or her designee must make the determination to approve an employee's qualifying prior work experience before the employee enters on duty.

(e) The agency must establish documentation and recordkeeping procedures sufficient to allow reconstruction of each action.

(f)(1) Credit for prior work experience or experience in a uniformed service under paragraphs (a) and (b) of this section is granted to the employee upon the effective date of his or her initial appointment to the agency or reappointment after a 90-day break in service and remains creditable for annual leave accrual purposes thereafter unless the employee fails to complete 1 full year of continuous service with the appointing agency.

(2) If an employee is placed in a leave without pay status during the 1-year period of continuous service required by paragraph (f)(1) of this section, the 1-year period of continuous service must be extended by the amount of time in a leave without pay unless—

(i) The employee separates or is placed in a leave without pay status to perform service in the uniformed services (as defined in 38 U.S.C. 4303 and 5 CFR 353.102) and later returns to civilian service through the exercise of a re-employment right provided by law, Executive order, or regulation; or

(ii) The employee separates or is placed in a leave without pay status because of an on-the-job injury with entitlement to injury compensation under 5 U.S.C. chapter 81 and later recovers sufficiently to return to work.

(g) If an employee separates from Federal service or transfers to another agency before completing 1 full year of continuous service with the appointing agency—

(1) Any credit under paragraph (a) or (b) of this section must be subtracted from the employee's total creditable service before the employee transfers or separates, and the agency must establish a new service computation date for leave accrual purposes under 5 U.S.C. 6303(a);

(2) Any annual leave accrued or accumulated by an employee as a result of receiving credit for service under paragraph (a) or (b) of this section remains to the credit of the employee; and

(3) The agency must—

(i) Transfer the annual leave balance to the new employing agency under 5 CFR 630.501 if the employee is transferring to a position to which annual leave may be transferred; or

(ii) Make a lump-sum payment under 5 CFR 550.1205 for any unused annual leave if the employee is separating from Federal service or moving to a position to which annual leave cannot be transferred.

§ 630.206 Minimum charge.

(a) Unless an agency establishes a minimum charge of less than one hour, or establishes a different minimum charge through negotiations, the minimum charge for leave is one hour, and additional charges are in multiples thereof. If an employee is unavoidably or necessarily absent for less than one hour, or tardy, the agency, for adequate reason, may excuse him without charge to leave.

(b) When an employee is charged with leave for an unauthorized absence or tardiness, the agency may not require him to perform work for any part of the leave period charged against his account.

§ 630.207 Travel time.

The travel time granted an employee under section 6303(d) of title 5, United States Code, is inclusive of the time necessarily occupied in traveling to and from his post of duty and (a) the United States, or (b) his place of residence, which is outside the area of employment, in the Commonwealth of Puerto Rico or the territories or possessions of the United States. The employee shall designate his place of residence in his request for leave under
§ 630.208 Reduction in leave credits.

(a) When the number of hours in a nonpay status in a full-time employee’s leave year equals the number of basepay hours in a pay period, the agency shall reduce his credits for leave by an amount equal to the amount of leave the employee earns during the pay period. When the employee’s number of hours of nonpay status does not require a reduction of leave credits, the agency shall drop those hours at the end of the employee’s leave year. For the purpose of determining the reduction of leave credits under this paragraph when an employee has one or more breaks in service during a leave year, the agency shall include all hours in a nonpay status (other than nonpay status during a fractional pay period when no leave accrues) for each period of service during the leave year in which annual leave accrued.

(b) An employee who is in a nonpay status for his entire leave year does not earn leave.

(c) When a reduction in leave credits results in a debit to an employee’s annual leave account at the end of a leave year, the agency shall:

(1) Carry the debit forward as a charge against the annual leave to be earned by the employee in the next leave year; or

(2) Require the employee to refund the amount paid him for the period covering the excess leave that resulted in the debit.

(d) A period covered by an employee’s refund for unearned advanced leave is deemed not a nonpay status under this section.

§ 630.209 Refund for unearned leave.

(a) When an employee who is indebted for unearned leave is separated, the agency shall:

(1) Require him to refund the amount paid him for the period covering the leave for which he is indebted; or

(2) Deduct that amount from any pay due him.

An employee who enters active military service with a right of restoration is deemed not separated for the purpose of this paragraph.

(b) This section does not apply when an employee:

(1) Dies;

(2) Retires for disability; or

(3) Resigns or is separated because of disability which prevents him from returning to duty or continuing in the service, and which is the basis of the separation as determined by his agency on medical evidence acceptable to it.

§ 630.210 Uncommon tours of duty.

(a) An agency may require that an employee with an uncommon tour of duty accrue and use leave on the basis of that uncommon tour of duty. The leave accrual rates for such employees shall be directly proportional (based on the number of hours in the biweekly tour of duty and the accrual rate of the corresponding leave category) to the standard leave accrual rates for employees who accrue and use leave on the basis of an 80-hour biweekly tour of duty. One hour (or appropriate fraction thereof) of leave shall be charged for each hour (or appropriate fraction thereof) of absence from the uncommon tour of duty.

(b) When an employee is converted to a different tour of duty for leave purposes, his or her leave balances shall be converted to the proper number of hours based on the proportion of hours in the new tour of duty compared to the former tour of duty.

(c) An agency shall establish an uncommon tour of duty for each firefighter compensated under part 550, subpart M, of this chapter. The uncommon tour of duty shall correspond directly to the firefighter’s regular tour of duty, as defined in §550.1302 of this chapter, so that each firefighter accrues and uses leave on the basis of that tour.
