§ 3101.103 Prohibition on purchase of certain assets.

(a) General prohibition. Except as provided in paragraph (b) of this section, no employee of the Department of the Treasury shall purchase, directly or indirectly, property:

(1) Owned by the Government and under the control of the employee’s bureau (or a bureau over which the employee exercises supervision); or

(2) Sold under the direction or incident to the functions of the employee’s bureau.

(b) Exceptions. The prohibition in paragraph (a) of this section does not apply to the purchase of Government securities or items sold generally to the public at fixed prices, such as numismatic items produced by the United States Mint or foreign gifts deposited with the Department pursuant to 5 U.S.C. 7342 that an employee may purchase pursuant to 41 CFR part 101–49.

(c) Waiver. An employee may make a purchase otherwise prohibited by this section where a written waiver of the prohibition has been given to the employee by an agency designee with the advice and legal clearance of the DAEO, or the appropriate Office of Chief or Legal Counsel. Such a waiver may be granted only on a determination that the waiver is not otherwise prohibited by law and that, in the mind of a reasonable person with knowledge of the particular circumstances, the purchase of the asset will not raise a question as to whether the employee has used his or her official position or inside information to obtain an advantageous purchase or create an appearance of loss of impartiality in the performance of the employee’s duties.

NOTE: Employees of the OCC and OTS are subject to additional limitations on the purchase of assets that are set out in bureau-specific rules contained in §§3101.108 and 3101.109.

§ 3101.104 Outside employment.

(a) General requirement for prior approval. All Department of the Treasury employees shall obtain prior written approval before engaging in any outside employment or business activities, with or without compensation, except to the extent that the employing bureau issues an instruction or manual issuance pursuant to paragraph (b) of this section exempting an activity or class of activities from this requirement. Approval shall be granted only on a determination that the employment or activity is not expected to involve conduct prohibited by statute, part 2635 of this title, or any provision of this part.

NOTE: Employees of the ATF, IRS, Legal Division, OCC, USCS and United States Secret Service are subject to additional limitations on outside employment and activities that are set out in bureau-specific rules contained in this part.

(b) Bureau responsibilities. Each bureau, which for the purposes of this section includes the Departmental Offices and the Office of the Inspector General, shall issue instructions or manual issuances governing the submission of requests for approval of outside employment or business activities and designating appropriate officials to act on such requests. The instructions or manual issuances may exempt categories of employment or activities from the prior approval requirement based on a determination that employment or activities within those categories would generally be approved and are not likely to involve conduct prohibited by statute, part 2635 of this title or any provision of this part. Bureaus may include in their instructions or issuances examples of outside employment or activities that are permissible or impermissible consistent with this part and part 2635 of this title. Bureaus shall retain in employees’ Official Personnel Folders (temporary side) all requests for approval whether granted or denied.

(b) Waiver. An agency designee, with the advice and legal clearance of the DAEO or Office of the Chief Counsel, may grant a written waiver of the prohibition in paragraph (a) of this section on a determination that the financial interest is not prohibited by 26 U.S.C. 7214(b) and that, in the mind of a reasonable person with knowledge of the particular circumstances, the financial interest will not create an appearance of misuse of position or loss of impartiality, or call into question the impartiality and objectivity with which the ATF’s programs are administered.
