**TRANSITIONAL PROVISIONS**

§ 9901.231 Conversion of positions and employees to NSPS classification system.

(a) **Introduction.** This section describes the transitional provisions that apply when DoD positions and employees initially are converted to a classification system established under this subpart. (See §9901.371 for conversion rules related to setting an employee’s pay.) Positions and employees in affected organizational or functional units may convert from the GS system, the SL/ST system, the SES system, or such other DoD systems as may be designated by the Secretary, as provided in §9901.202. For the purpose of this part, the terms “convert,” “converted,” “converting,” and “conversion” refer to positions and employees that become covered by the NSPS classification system as a result of a coverage determination made under §9901.102(b) and excludes employees who move from a noncovered position to a position already covered by NSPS.

(b) **Implementing issuances.** The Secretary will issue implementing issuances prescribing policies and procedures for converting DoD employees to a pay band upon initial implementation of the NSPS classification system. Those issuances will establish the work level conversion tables used to place an employee in a pay band based on the level of work of the employee’s position in the formerly applicable pay system.

(c) **Temporary promotion prior to conversion.** An employee on a temporary promotion at the time of conversion will be returned to his or her official position of record prior to processing the conversion. That official position of record (including occupational series and grade) is used in determining the employee’s career group, pay schedule, and band upon conversion.

(d) **Grade retention prior to conversion.** For an employee who is entitled to grade retention immediately before conversion, the grade of the actual position of record (not the grade being retained) is used in determining the employee’s band upon conversion.
