Blackbirds | Cowbirds | Grackles | Crows | Magpies  
--- | --- | --- | --- | ---  
Red-winged (Agelaius phoeniceus), Yellow-headed (Xanthocephalus xanthocephalus). | Brown-headed (Molothrus ater), Shiny (Molothrus bonariensis). | Common (Quiscalus quiscula), Great-tailed (Quiscalus mexicanus). | Fish (Corvus ossifragus), Northwestern (Corvus caurinus). | Yellow-billed (Pica nuttalli).  

(a) You must attempt to control depredation by species listed under this depredation order using non-lethal methods before you may use lethal control.

(b) In most cases, if you use a firearm to kill migratory birds under the provisions of this section, you must use nontoxic shot or nontoxic bullets to do so. See §20.21(i) of this chapter for a listing of approved nontoxic shot types. However, this prohibition does not apply if you use an air rifle, an air pistol, or a 22 caliber rimfire firearm for control of depredating birds under this order.

(c) If you exercise any of the privileges granted by this section, you must allow any Federal, State, tribal, or territorial wildlife law enforcement officer unrestricted access at all reasonable times (including during actual operations) over the premises on which you are conducting the control. You must furnish the officer whatever information he or she may require about your control operations.

(d) You may kill birds under this order only in a way that complies with all State, tribal, or territorial laws or regulations. You must have any State, tribal, or territorial permit required to conduct the activity.

(e) You may not sell, or offer to sell, any bird, or any part thereof, killed under this section, but you may possess, transport, and otherwise dispose of the bird or its parts.

(f) Any person or agency acting under this depredation order must provide to the appropriate Regional Migratory Bird Permit Office an annual report for each species taken. You can find the addresses for the Regional Migratory Bird Permit Offices in §2.2 of subchapter A of this chapter. You must submit your report by January 31st of the following year, and you must include the following information:

1. Your name, address, phone number, and e-mail address;
2. The species and number of birds taken;
3. The months in which the birds were taken;
4. The State(s) and county(ies) in which the birds were taken; and
5. The general purpose for which the birds were taken (such as for protection of agriculture, human health and safety, property, or natural resources).

(g) The Office of Management and Budget has approved the information collection requirements associated with this depredation order and assigned OMB Control No. 1018–0146. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number. You may send comments on the information collection requirements to the Service’s Information Collection Clearance Officer, U.S. Fish and Wildlife Service, MS 222–ARLSQ, 1849 C Street, NW., Washington, DC 20240.

§21.44 Depredation order for designated species of depredating birds in California.

In any county in California in which horned larks, golden-crowned, white-crowned and other crowned sparrows, and house finches are, under extraordinary conditions, seriously injurious to agricultural or other interests, the Commissioner of Agriculture may, without a permit, kill or cause to be killed under his/her general supervision such of the above migratory birds as may be necessary to safeguard any agricultural or horticultural crop in the county; Provided:

(a) That such migratory birds shall be killed only when necessary to protect agricultural or horticultural crops from depredation; that none of the
§ 21.45 Depredation order for depredating purple gallinules in Louisiana.

Landowners, sharecroppers, tenants, or their employees or agents, actually engaged in the production of rice in Louisiana, may, without a permit, shoot purple gallinules (Porognis martinica) when found committing or about to commit serious depredations to growing rice crops on the premises owned or occupied by such persons: Provided:

(a) That purple gallinules may only be killed pursuant to this section between May 1 and August 15 in any year.

(b) That purple gallinules killed pursuant to this section shall not be transported or sold or offered for sale except that, such transportation within the area, as may be necessary to bury or otherwise destroy the carcasses of such birds is permitted: Provided, That the Director or the State agricultural department, college, or other public institution may requisition such purple gallinules killed as may be needed for scientific investigations: Provided further, That any purple gallinules killed under authority of this section may also be donated to charitable institutions for food purposes.

(c) That any person exercising any of the privileges granted by this section shall permit at all reasonable times, including during actual operations, any Federal or State game or deputy game agent, warden, protector, or other game law enforcement officer free and unrestricted access over the premises on which such operations have been or are being conducted: and shall furnish promptly to such officer whatever information he may require, concerning said operations.

(d) That nothing in this section shall be construed to authorize the killing of such migratory birds contrary to any State laws or regulations: and that none of the privileges granted under this section shall be exercised unless the person possesses whatever permit as may be required for such activities by the State of Louisiana.

(e) That any person authorized by this section to exercise the privileges granted therein shall maintain records of the number of birds killed on the premises and shall submit a report thereof, on or before December 31 of each year, to the Director.

§ 21.46 Depredation order for depredating scrub jays and Steller’s jays in Washington and Oregon.

Landowners, sharecroppers, tenants, or their employees or agents actually engaged in the production of nut crops in Washington and Oregon may, without a permit, take scrub jays (Aphelocoma coerulescens) and Steller’s jays (Cyanocitta stelleri) when found committing or about to commit serious depredations to nut crops on the premises owned or occupied by such persons: Provided:

(a) That scrub jays and Steller’s jays may only be taken pursuant to this section between August 1 and December 1 in any year, in the Washington counties of Clark, Cowlitz, and Lewis; and the Oregon counties of Benton, Clackamas, Lane, Linn, Marion, Multnomah, Polk, Washington, and Yamhill.

(b) That scrub jays and Steller’s jays taken pursuant to this section shall not be transported or sold or offered for sale except that, such transportation within the area, as may be necessary to bury or otherwise destroy the carcasses of such birds is permitted: Provided, That the Director of the State agricultural department, college, or other public institution may requisition such purple gallinules killed as may be needed for scientific investigations: Provided further, That any purple gallinules killed under authority of this section may also be donated to charitable institutions for food purposes.

(c) That any person exercising any of the privileges granted by this section shall permit at all reasonable times, including during actual operations, any Federal or State game or deputy game agent, warden, protector, or other game law enforcement officer free and unrestricted access over the premises on which such operations have been or are being conducted: and shall furnish promptly to such officer whatever information he may require, concerning said operations.

(d) That nothing in this section shall be construed to authorize the killing of such migratory birds contrary to any State laws or regulations: and that none of the privileges granted under this section shall be exercised unless the person possesses whatever permit as may be required for such activities by the State of Louisiana.

(e) That any person authorized by this section to exercise the privileges granted therein shall maintain records of the number of birds killed on the premises and shall submit a report thereof, on or before December 31 of each year, to the Director.
