§ 80.60 What is the relationship between the Basic Hunter Education and Safety subprogram and the Enhanced Hunter Education and Safety program?

The relationship between the Basic Hunter Education and Safety subprogram (Basic Hunter Education) and the Enhanced Hunter Education and Safety program (Enhanced Hunter Education) is designed to promote a comprehensive approach to hunter education and safety. This relationship is intended to ensure that all hunters, regardless of what state they are in, receive quality education and safety training. Both programs are intended to contribute to the conservation and sustainable use of wildlife resources, as well as to promote responsible hunting practices that protect public health and safety.
