any manner or at any time during processing with any dolphin-safe tuna or tuna products and may not share the same storage containers, cookers, conveyers, tables, or other canning and labeling machinery.

(e) Tracking imports. All tuna products, except fresh tuna, that are imported into the United States must be accompanied as described in §216.24(f)(3) by a properly certified FCO as required by §216.24(f)(2). For tuna tracking purposes, copies of FCOs and associated certifications must be submitted by the importer of record to the Administrator, Southwest Region, within 10 calendar days of the shipment’s entry into the commerce of the United States as required by §216.24(f)(3)(i).

(f) Verification requirements—
(1) Record maintenance. Any exporter, transshipper, importer, processor, or wholesaler/distributor of any tuna or tuna products must maintain records related to that tuna for at least 2 years. These records include, but are not limited to: FCOs and required certifications, any reports required in paragraphs (a), (b) and (d) of this section, invoices, other import documents, and trip reports.

(2) Record submission. Within 10 calendar days of receiving a shipment of tuna or tuna products, any exporter, transshipper, importer, processor, or wholesaler/distributor of tuna or tuna products must submit to the Administrator, Southwest Region, all corresponding FCOs and required certifications for those tuna or tuna products.

(3) Audits and spot checks. Upon request of the Administrator, Southwest Region, any exporter, transshipper, importer, processor, or wholesaler/distributor of tuna or tuna products must provide the Administrator, Southwest Region, timely access to all pertinent records and facilities to allow for audits and spot-checks on caught, landed, stored, and processed tuna.

(g) Confidentiality of proprietary information. Information submitted to the Assistant Administrator under this section will be treated as confidential in accordance with NOAA Administrative Order 216–100 “Protection of Confidential Fisheries Statistics.”

§ 216.94 False statements or endorsements.

Any person who knowingly and willfully makes a false statement or false endorsement required by §216.92 is liable for a civil penalty not to exceed $100,000, that may be assessed in an action brought in any appropriate District Court of the United States on behalf of the Secretary.

§ 216.95 Official mark for “Dolphin-safe” tuna products.

(a) This is the “official mark” (see figure 1) designated by the United States Department of Commerce that may be used to label tuna products that meet the “dolphin-safe” standards set forth in the Dolphin Protection Consumer Information Act, 16 U.S.C. 1365, and implementing regulations at §§216.91 through 216.94:
(b) Location and size of the official mark. The official mark on labels must allow the consumer to identify the official mark and be similar in design and scale to figure 1. A full color version of the official mark is available at http://swr.ucsd.edu/dsl.htm.

Subpart I—General Regulations Governing Small Takes of Marine Mammals Incidental to Specified Activities

Source: 61 FR 15887, Apr. 10, 1996, unless otherwise noted.

§ 216.101 Purpose.

The regulations in this subpart implement section 101(a)(5) (A) through (D) of the Marine Mammal Protection Act of 1972, as amended, 16 U.S.C. 1371(a)(5), which provides a mechanism for allowing, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified geographic region.

§ 216.102 Scope.

The taking of small numbers of marine mammals under section 101(a)(5) (A) through (D) of the Marine Mammal Protection Act may be allowed only if the National Marine Fisheries Service: (a) Finds, based on the best scientific evidence available, that the total taking by the specified activity during the specified time period will have a negligible impact on species or stock of
