§ 300.33 Compliance with applicable national laws.

The operator of the vessel shall comply with each of the applicable national laws, and the operator of the vessel shall be responsible for the compliance by the vessel and its crew with each of the applicable national laws, and the vessel shall be operated in accordance with those laws.

§ 300.34 Reporting requirements.

(a) Holders of licenses issued under §300.32 shall comply with the reporting requirements of this section with respect to the licensed vessels.

(b) Any information required to be recorded, or to be notified, communicated or reported pursuant to a requirement of these regulations, the Act, or the Treaty shall be true, complete and correct. Any change in circumstances that has the effect of rendering any of the information provided false, incomplete or misleading shall be communicated immediately to the Regional Administrator.

(c) The operator of any vessel licensed under §300.32 must prepare and submit accurate, complete, and timely notifications, requests, and reports with respect to the licensed vessel, as described in paragraphs (c)(1) through (10) of this section.

(1) Catch report forms. A record of catch, effort and other information must be maintained on board the vessel, on catch report forms (also known as “Regional Purse Seine Logsheet”, or RPLs) provided by the Regional Administrator. At the end of each day that the vessel is in the Licensing Area, all information specified on the form must, for that day, be recorded on the form. The completed catch report form must be mailed by registered airmail to the Administrator within 14 days of the vessel’s next entry into port for the purpose of unloading its fish catch. A copy of the completed catch report form must also be submitted to, and received by, the Regional Administrator within 2 days of the vessel reaching port.

(n) Procedures for 2011–2012 licensing period. For the licensing period that starts June 15, 2011, and for that licensing period only, NMFS will rank order those applications received by February 5, 2011, for the 2011–2012 licensing period by applying the prioritization criteria of paragraphs (k)(4)(i) and (k)(4)(ii) of this section, except that in lieu of using the criteria in (k)(4)(i), first priority will be given to applications for vessels that as of February 5, 2011, have valid licenses for the 2010–2011 licensing period.
