§§ 1410.13–1410.19

applicable to a nearby similarly-situated county.

(2) In lieu of the annual payments provided for in paragraph (h)(1) of this section, lump sum payment equal to the present value of the total amount of annual rental payments that would otherwise be paid under paragraph (h)(1) of this section.

(i) Cost-share assistance authorized under §1410.40 may be reduced by the value of salvaged timber or timber products which are removed to prepare the site for replanting.

(j) The provisions of §1410.7(c), which concern enrollment limits, do not apply to contracts to which this section applies.

(k) To avoid duplicate payments, participants under this section are not eligible to receive EFCRP funding for land on which the participant has or will receive funding under any other program that covers the same expenses.

(l) All other requirements of this part shall apply to enrollments under this section.

§§ 1410.13–1410.19 [Reserved]

$ 1410.20 Obligations of participant.

(a) All participants subject to a CRP contract must agree to:

(1) Carry out the terms and conditions of such CRP contract;

(2) Implement the conservation plan, which is part of such contract, in accordance with the schedule of dates included in such conservation plan unless the Deputy Administrator determines that the participant cannot fully implement the conservation plan for reasons beyond the participant’s control, and CCC agrees to a modified plan. However, a contract will not be terminated for failure to establish an approved vegetative or water cover on the land if, as determined by the Deputy Administrator:

(i) The failure to plant or establish such cover was due to excessive rainfall, flooding, or drought;

(ii) The land subject to the contract on which the participant could practically plant or establish such cover is planted or established to such cover;

(iii) The land on which the participant was unable to plant or establish such cover is planted or established to such cover after the wet or drought conditions that prevented the planting or establishment subside;

(3) Establish temporary vegetative cover either when required by the conservation plan or, as determined by the Deputy Administrator, if the permanent vegetative cover cannot be timely established;

(4) Comply with part 12 of this title;

(5) Not allow grazing, harvesting, or other commercial use of any crop from the cropland subject to such contract except for those periods of time approved in accordance with instructions issued by the Deputy Administrator;

(6) Establish and maintain the required vegetative or water cover and the required practices on the land subject to such contract and take other actions that may be required by CCC to achieve the desired environmental benefits and to maintain the productive capability of the soil throughout the contract period;

(7) Comply with noxious weed laws of the applicable State or local jurisdiction on such land;

(8) Control on land subject to such contract all weeds, insects, pests and other undesirable species to the extent necessary to ensure that the establishment and maintenance of the approved cover as necessary or may be specified in the CRP conservation plan and to avoid an adverse impact on surrounding land, taking into consideration water quality, wildlife, and other needs, as determined by the Deputy Administrator; and

(9) Be jointly and severally responsible, if the participant has a share of the payment greater than zero, with the other contract participants in compliance with the provisions of such contract and the provisions of this part and for any refunds or payment adjustments that may be required for violations of any of the terms and conditions of the CRP contract and this part.

§ 1410.21 Obligations of the Commodity Credit Corporation.

CCC shall, subject to the availability of funds:
