PART 1413—COMMODITY INCENTIVE PAYMENT PROGRAMS

Subpart A—Durum Wheat Quality Program

§ 1413.101 Applicability.
(a) This subpart establishes the terms and conditions under which the Durum Wheat Quality Program (DWQP) as authorized by section 1613 of the Food, Conservation, and Energy Act of 2008 (Pub. L. 110–246) will be administered.
(b) This program will operate only to the extent appropriated funding is available.
(c) Subject to available funding, eligible producers of durum wheat will be partially compensated for the cost of purchasing and applying fungicides to a crop of durum wheat to control Fusarium head blight on acres accurately certified as planted to durum wheat. “Available funding” requires that there be a specific appropriation for the program that applies to a particular crop for which the producer seeks compensation under this program.

§ 1413.102 Definitions.
The following definitions apply to this subpart. The definitions in parts 718 and 1400 of this title also apply, except where they conflict with the definitions in this section.

Application period means the dates established by the Deputy Administrator for Farm Programs for producers to apply for program benefits.

CCC means the Commodity Credit Corporation.

Crop year means the calendar year in which the wheat was harvested or intended to be harvested. For example, a reference to the 2010 crop year of wheat means wheat that when planted was intended for harvest in calendar year 2010.

Durum wheat means all varieties of white (amber) durum wheat as defined in the U.S. Standards for Wheat (7 CFR part 810, subpart M) including, but not limited to, hard amber durum wheat and amber durum wheat.

Flowering stage means the period of time during the wheat growth stage, after the head emergence has completed and prior to milk development in the kernel.

State committee, county committee or county office means the respective FSA committee or office.

United States means all 50 States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and any other territory or possession of the United States.

USDA means the United States Department of Agriculture.

§ 1413.103 Administration.
(a) DWQP will be administered under the general supervision of the Executive Vice President, CCC (Administrator, Farm Service Agency (FSA)), or a designee, and will be carried out in the field by FSA State and county committees and FSA employees.
(b) FSA representatives do not have authority to modify or waive any of the provisions of the regulations of this subpart, except as specified in paragraph (e) of this section.
(c) The State FSA committee will take any action required by the provisions of this subpart that the county FSA committee has not taken. The State FSA committee will also:

(1) Correct, or require a county FSA committee to correct, any action taken by such county FSA committee that is
Commodity Credit Corporation, USDA

§ 1413.106 Application process.

(a) To apply for DWQP payment, the producer must submit, to the FSA county office that maintains the producer’s farm records for the agricultural operation, a completed application as specified in paragraph (c) of this section, including any supporting documentation required by FSA, and a report of acreage.

(b) The producer must submit a completed application for payment and required supporting documentation to the administrative FSA county office during the relevant, for the crop, application period announced by FSA which will end no later than September 15 of

(d) A person or entity determined to be a foreign person under part 1400 of this title is not eligible to receive benefits under this subpart, unless that person provides land, capital, and a substantial amount of active personal labor in the production of crops on such farm.

(e) State and local governments and their political subdivisions and related agencies are not eligible for DWQP payments.

(f) To be considered an eligible fungicide under this subpart, the fungicide must be:

(1) Registered with the U.S. Environmental Protection Agency, as required under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), unless exempt from FIFRA requirements;

(2) In compliance with State pesticide regulations, if applicable, in the State in which benefits are being requested; and

(3) Applied specifically to control Fusarium head blight on acres certified as planted by the producer to durum wheat for the applicable crop year.

(g) CCC will provide program benefits to reimburse eligible costs for a maximum of one fungicide treatment, including application cost, during the flowering stage, to a crop of durum wheat per crop year. Multiple or additional fungicide treatments, beyond a single treatment, to the same crop of wheat are not eligible for benefits.
