(d) Options and appraisals related to the purchase of real estate for which a WS loan, WS advance, or RCD loan is made must be developed in accordance with NRCS and RUS requirements and approved by RUS. The determination of present market value will be made in accordance with §1780.44(g) of this chapter.

§ 1781.15 Planning and performing development.

Planning and performing development will be handled in accordance with subpart C of part 1780 of this chapter and guidance from NRCS.

§ 1781.16 [Reserved]

§ 1781.17 Docket preparation and processing.

(a) Loan docket. Dockets for WS loans, WS advances and RCD loans will be prepared in accordance with the applicable provisions of part 1780 of this chapter.

(1) Time for preparation of docket.

Docket preparation may begin as soon as a preliminary draft of the watershed plan or RCD area plan, together with an estimate of costs and benefits, have been prepared with the assistance of NRCS and approved by the sponsoring local organization applicant. However, the applicant must understand that approval of the WS loan, WS advance, or RCD loan will not be determined until the work plan has been authorized for assistance by NRCS. To the extent practicable, docket preparation may be completed by that time to facilitate the availability of funds when needed.

(2) Instructions for preparation of docket.

When the Rural Development State Director has determined that plans and other requirements are completed to the extent that preparation of the loan docket may begin, he will send the processing office a memorandum giving complete instructions for docket preparation, with a list of documents to be included in the docket.

(3) Objectives of the docket.

The docket should include information for use in determining that:

(i) The sponsoring local organization:

(A) Has legal authority to construct and operate the proposed facility, borrow money, give security, incur debt, and generate revenue needed for operation, maintenance, reserves, debt payment, and other cash requirements.

(B) Is a sponsor or cosponsor of the WS plan or RCD work plan and is otherwise eligible for assistance.

(ii) Funds will be used for authorized purposes.

(iii) The source of income to be pledged for debt payment and the security proposed is adequate.

(iv) Actions required for loan closing are administratively satisfactory, legally sufficient and properly documented in accordance with Agency regulations.

(4) Assembly of the docket.

The docket will be assembled in accordance with paragraph (a)(2) of this section and will include the following:

(i) A copy of the WS works of improvement agreement or RCD measure agreement.

(ii) A copy of the Operation and Maintenance Agreement between NRCS and the WS or RCD sponsoring local organization for the WS works of improvement or the RCD measure.

(iii) A statement from the NRCS State Conservationist concurring in the feasibility of the WS work of improvement or RCD measure and that NRCS is providing financial and/or technical assistance in accordance with applicable WS or RCD authorities.

(5) Narrative by processing office.

This should be included in or attached to the Project Summary. It should relate project costs to benefits of the WS or RCD loan or WS advance. Minimum and average individual charges, tax levies or assessments should be given where applicable. Where taxes or assessments on land will be levied, acres should be indicated and average cost per acre should be given. Analyses of income from recreational facilities should be based on the best information available from local, State, and Federal agencies concerned with such recreation facilities. Determination of water rates, schedules, and estimated consumption of water should be made by the same methods as for loans for domestic water and irrigation.

(6) Estimates of right-of-way costs.

The docket should include, as part of the Project Summary, current estimated costs of easements, rights-of-way, and
