§ 1924.261 Handling complaints involving dwellings covered by an independent or insured home warranty plan.

Borrowers with complaints about dwellings covered by an independent or insured home warranty plan will be instructed to first contact the warranty company and follow the complaint resolution process for that company, with the assistance of FmHA or its successor agency under Public Law 103–354, if needed. If the complaint is not resolved in this manner, it will be handled under §1924.259 of this subpart.

§ 1924.262 Handling complaints involving dwellings constructed by the self-help method.

When a borrower whose dwelling was constructed by the self-help method complains about construction defects, FmHA or its successor agency under Public Law 103–354 will determine whether the defect is the result of work performed by a contractor or work performed by the borrower under the guidance of the self-help group. Defects which are determined to be the responsibility of a contractor will be handled in accordance with §1924.259 of this subpart. Defects determined to be the result of work performed by the borrower are not eligible for compensation under this subpart.
