(i) The prior lienholder shall agree not to declare the lien in default or accelerate the indebtedness secured by the prior lien for a specific period of time after notice to the agency. The agreement must:

(A) Provide that the specified period of time will not commence until the lienholder gives written notice of the borrower's default and the prior lienholder's intention to accelerate the indebtedness to the agency office servicing the loan,

(B) Include the address of the agency servicing office,

(C) Give the agency the option to cure any monetary default by paying the amount of the borrower's delinquent payments to the prior lienholder, or pay the obligation in full and have the lien assigned to the agency, and

(D) Provide that the prior lienholder will not declare the lien in default for any nonmonetary reason if the agency commences liquidation proceedings against the property and thereafter acquires the property.

(ii) When the prior lien secures future advances, including the lienholder's costs for borrower liquidation or bankruptcy, which under State law have priority over the mortgage being taken (or an agency mortgage already held), the prior lienholder shall agree not to make advances for purposes other than taxes, insurance or payments on other prior liens without written consent of the agency.

(v) The seller shall agree not to take any actions to foreclose or forfeit the interest of the buyer under the land purchase contract because the agency has acquired the buyer's interest under the land purchase contract by foreclosure or voluntary conveyance, or because the agency has subsequently sold or assigned the buyer's interest to a third party who will assume the buyer's obligations under the land purchase contract.

§ 1927.58 Closing the transaction.

The closing agent will cooperate with the approval official, borrower, seller, and other necessary parties to arrange the time and place of closing. The transaction may be closed when the agency determines that the agency requirements for the loan have been satisfied and the closing agent or approved attorney can issue or cause to be issued a policy of title insurance or final title opinion as of the date of closing showing title vested as required

The loan will be considered closed when the mortgage is filed for record and the required lien is obtained.

No development funds will be kept in escrow by the closing agent after loan closing, unless approved by the agency. Loan funds for the payment of a lien may be disbursed only upon the recording of a discharge, satisfaction, or release of prior lien interests (or assignment where necessary to protect the interests of the agency).

(b) *Title examination and liens or claims against borrowers.* If there are exceptions or recorded items which have arisen since the preliminary title opinion, the transaction will not be closed until these entries have been cleared of record or approved by the agency. The closing agent will advise the approval official of the nature of such intervening instruments and the effect they may have on obtaining a valid mortgage of the priority required or the title insurance policy to be issued.

(c) *Taxes and assessments.* The closing agent will determine if all taxes and assessments against the property which are due and payable are paid at or before the time of loan closing. If the seller and the borrower have agreed to prorate any taxes or assessments which are not yet due and payable for the year in which the closing of the transaction takes place, the seller's proportionate share of the taxes and assessments will be deducted from the proceeds to be paid to seller at closing and will be added to the amount required to be paid by borrower at closing. Appropriate prorations as agreed upon between the borrower and seller may also be made for taxes paid by the seller which are applicable to a period
