The Governor will also be notified of the total amounts appropriated for the FY for each designated rural development program.

(3) The State Director will fund projects from a designated State’s allocation of funds, according to appropriate program regulations giving great weight to the order in which the preapplications/applications for projects are ranked and listed by the panel in accordance with §1940.956(b)(3) of this subpart.

(b) Reserve. A percentage of the National Office reserve established in subpart L of part 1940 of this chapter will be used to establish a reserve for designated States that is separate and apart from that of nondesignated States. (b) Limitation on amounts transferred.

The amount of direct loan funds transferred from a program under this section shall not exceed the amount left unobligated after obligating the full amount of assistance requested for each project that ranked higher in priority on the panel’s list.
