§ 1944.407 Limitations.
The amount of the TA grant depends on the experience and capability of the applicant and must be justified based on the number of families to be assisted. As a guide, the maximum grant amounts for any grant period will be limited to:

(a) An average TA cost per equivalent unit of no more than 15 percent of the cost of equivalent value of modest homes built in the area. (Upon request, the County Supervisor will provide the grantee the average cost of modest homes for the area); or

(b) An average TA cost per equivalent unit that does not exceed the difference between the equivalent value of modest homes in the area and the average mortgage of the participating families minus $1,000; or

(c) A TA per equivalent unit cost that does not exceed an amount established by the State Director. The State Director may authorize a greater TA cost than paragraph (a) or (b) of this section when needed to accomplish a particular objective, such as requiring the grantee to serve very low-income families, remote areas, or similar situations; or

(d) A negotiated amount for repair and rehabilitation type proposals. At a minimum, applicants applying for repair and rehabilitation grants must include information on the proximity of the houses in a project, the typical needed repairs, and the cost savings between self-help and contractor rehabilitation and repair.

§ 1944.408 [Reserved]

§ 1944.409 Executive Order 12372.
The self-help program is subject to the provision of Executive Order 12372 which requires intergovernmental consultation with State and local officials. Under subpart J of part 1940 of this chapter (available in any Agency office), new applicants for the self-help program must submit their Statement of Activities to the State single point of contact prior to submitting their preapplication to Agency. The name of the point of contact is available from the State Office.

§ 1944.410 Processing preapplications, applications, and completing grant dockets.

(a) Form SF–424, ‘‘Application for Federal Assistance.’’ Form SF–424 in an original and one copy must be submitted by the applicant to the District Director. It will be used to establish communication between the applicant and RHS, determine the applicant’s eligibility, determine how well the project can compete with similar applications from other organizations and eliminate any proposals which have little or no chance for Federal funding before applicants incur significant expenditures for preparing an application. In addition, the following information will be attached to and become a part of the preapplication:

(1) Complete information about the applicant’s previous experience and capacity to carry out the objective of the agreement.

(2) If the applicant organization is already formed, a copy of or an accurate reference to the specific provisions of State law under which the applicant is organized; a certified copy of the applicant’s Articles of Incorporation and Bylaws or other evidence of corporate existence; certificate of incorporation for other than public bodies; evidence of good standing from the State when the corporation has been in existence 1 year or more; the names and addresses of the applicant’s members, directors, and officers; and, if another organization is a member of the applicant-organization, its name, address, and principal business. If the applicant is not already formed, attach copies of the proposed organizational documents demonstrating compliance with §1944.404(d) of this subpart.
