(2) Conveyance may be by Trustee’s Deed instead of a warranty deed. If upon advice of OGC it is determined a deed from any other person or entity (including the borrower) is necessary to obtain clear title, a deed from such person or entity will be obtained.

(c) Acceptance. The conveyance will be accepted for an amount of credit to the borrower’s FmHA or its successor agency under Public Law 103–354 account(s) as set forth in §1955.18(e)(4) of this subpart.

(d) Reporting. Acquisition of property under this section will be reported in accordance with §1955.18(a) of this subpart.

[50 FR 23904, June 7, 1985, as amended at 53 FR 27827, July 25, 1988]

§ 1955.12 Acquisition of property which served as security for a loan guarantee by FmHA or its successor agency under Public Law 103–354 or at sale by another lienholder, bankruptcy trustee, or taxing authority.

When the servicing regulations for the type of loan(s) involved permit FmHA or its successor agency under Public Law 103–354 to acquire property by one of these methods, the acquisition will be reported in accordance with §1955.18(a) of this subpart.

§ 1955.13 Acquisition of property by exercise of Government redemption rights.

When the Government did not protect its interest in security property in a foreclosure by another lienholder, and if the Government has redemption rights, the State Director will determine whether to redeem the property. This determination will be based on all pertinent factors including the value of the property after the sale, and costs which may be incurred in acquiring and reselling the property. For Farmer Program loans, the County Supervisor will document the determination on exhibit G of this subpart. The decision must be made far enough in advance of expiration of the redemption period to permit exercise of the Government’s rights. If the property is to be redeemed, complete information documenting the basis for not acquiring the property at the sale and factors which justify redemption of the property will be included in the case file. The assistance of OGC will be obtained in effecting the redemption. If the State Director decides not to redeem the property, the Government’s right of redemption under Federal law (28 U.S.C. 2410) may be waived without consideration. If a State law right of redemption exists and may be sold, it will not be disposed of for less than its value.

§ 1955.14 [Reserved]

§ 1955.15 Foreclosure by the Government of loans secured by real estate.

Foreclosure will be initiated when all reasonable efforts have failed to have the borrower voluntarily liquidate the loan through sale of the property, voluntary conveyance, or by entering into an accelerated repayment agreement when applicable servicing regulations permit; when either a net recovery can be made or when failure to foreclose would adversely affect FmHA or its successor agency under Public Law 103–354 programs in the area. Also, in Farmer Program cases (except graduation cases under subpart F of part 1951 of this chapter), the borrower must have received exhibit A with attachments 1 and 2 of subpart S of part 1951 of this chapter, and any appeal must have been concluded. For real property located within the confines of a federally recognized Indian reservation and owned by a Native American borrower, proper notice of voluntary conveyance must be given as outlined in §1955.9(c)(1) of this subpart.
