§ 3405.19 Monitoring progress of funded projects.

(a) During the tenure of a grant, project directors must attend at least one national project directors meeting, if offered, in Washington, DC or any other announced location. The purpose of the meeting will be to discuss project and grant management opportunities for collaborative efforts, future directions for education reform, and opportunities to enhance dissemination of exemplary end products/results.

(b) An Annual Performance Report must be submitted to the USDA program contact person within 90 days after the completion of the first year of the project and annually thereafter during the life of the grant. Generally, the Annual Performance Reports should include a summary of the overall progress toward project objectives, current problems or unusual developments, the next year’s activities, and any other information that is pertinent to the ongoing project or which may be specified in the terms and conditions of the award.

(c) A Final Performance Report must be submitted to the USDA program contact person within 90 days after the expiration date of the project. The expiration date is specified in the award documents and modifications thereto, if any. Generally, the Final Performance Report should be a summary of the completed project, including: A review of project objectives and accomplishments; a description of any products and outcomes resulting from the project; activities undertaken to disseminate products and outcomes; partnerships and collaborative ventures that resulted from the project; future initiatives that are planned as a result of the project; the impact of the project on the project director(s), the institution, and the food and agricultural sciences higher education system; and data on project personnel and beneficiaries. The Final Performance Report must also contain any other information which may be specified in the terms and conditions of the award.
