Awardees also will need to comply with procedures in paragraph (c) of this section. AMB will approve these draw requests only in extenuating circumstances, as determined by CSREES.

(e) SF–272, Federal Cash Transactions Report. Awardees receiving electronic payments through DHHS–PMS are required to submit their SF–272, Federal Cash Transactions Report, via the DHHS–PMS by the specified dates. Failure to submit this quarterly report by the due date may result in funds being restricted by DHHS–PMS. Awardees not receiving payments through DHHS–PMS may be exempt from this reporting requirement.

(f) Additional reporting requirements. CSREES may require additional financial reporting requirements as follows: CSREES may require forecasts of Federal cash requirements in the “Remarks” section of the report; and when practical and deemed necessary, CSREES may require awardees to report in the “Remarks” section the amount of cash advances received in excess of three days (i.e., short narrative with explanations of actions taken to reduce the excess balances). When CSREES needs additional information or more frequent reports, a special provision will be added to the award terms and conditions and identified on the Form CSREES–2009, Award Face Sheet. Should CSREES determine that an awardee’s accounting system is inadequate, additional pertinent information or more frequent reports, a special provision will be added to the award terms and conditions and identified on the Form CSREES–2009, Award Face Sheet.

§ 3430.57 Project meetings.

In addition to reviewing (and monitoring the status of) progress and final technical reports and financial reports, CSREES Program Officers may use regular and periodic conference calls to monitor the awardee’s performance as well as PD conferences, workshops, meetings, and symposia to not only monitor the awards, but to facilitate communication and the sharing of project results. These opportunities also serve to eliminate or minimize CSREES funding unneeded duplicative project activities. Required attendance at these conference calls, conferences, workshops, meetings, and symposia will be identified in the RFA and the awardee should develop a proposal accordingly.

§ 3430.58 Prior approvals.

(a) Subcontracts. No more than 50 percent of the award may be subcontracted to other parties without prior written approval of the ADO except contracts to other Federal agencies. Any subcontract awarded to a Federal agency under an award must have prior written approval of the ADO. To request approval, a justification for the proposed subcontractual arrangements, a performance statement, and a detailed budget for the subcontract must be submitted to the ADO.

(b) No-cost extensions of time—(1) General. Awardees may initiate a one-time no-cost extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply: the terms and conditions of the award prohibit the extension; the extension requires additional Federal funds; and the extension involves any change in the approved objectives or scope of the project. For the first no-cost extension, the awardee must notify CSREES in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award.

(2) Additional requests for no-cost extensions of time before expiration date. When more than one no-cost extension of time or an extension of more than 12 months is required, the extension(s) must be approved in writing by the ADO. The awardee should prepare and submit a written request (which must be received no later than 10 days prior to the expiration date of the award) to the ADO. The request must contain, at a minimum, the following information: the length of the additional time required to complete the project objectives and a justification for the extension; a summary of the progress to date; an estimate of the funds expected to remain unobligated on the scheduled
