(1) The service agreement shall contain participant reporting requirements (e.g., quarterly, annual, and/or close-out) to allow for program monitoring and evaluation.

§ 3431.21 Breach.

(a) General. If a program participant fails to complete the period of obligated service incurred under the service agreement, including failing to comply with the applicable terms and conditions of a waiver granted by the Secretary, the program participant must pay to the United States an amount as determined in the service agreement. Payment of this amount shall be made within 90 days of the date that the program participant failed to complete the period of obligated service, as determined by the Secretary.

(c) The Secretary may renegotiate the terms of a participant’s service agreement in the event of a transfer, termination or call to active duty pursuant to paragraph (b) of this section.

§ 3431.22 Debt Collection.

Individuals in breach of a service agreement entered into under this part are considered to owe a debt to the United States for the amount of repayment. Any such debt will be collected pursuant to the Department’s Debt Management regulations at 7 CFR part 3.

(a) A program participant may seek a waiver or suspension of the service or payment obligations incurred under this part by written request to the Secretary setting forth the bases, circumstances, and causes which support the requested action.

(b) The Secretary may waive any service or payment obligation incurred by a program participant whenever compliance by the program participant is impossible or would involve extreme hardship to the program participant and if enforcement of the service or payment obligation would be against equity and good conscience.

(1) Compliance by a program participant with a service or repayment obligation will be considered impossible if the Secretary determines, on the basis of information and documentation as may be required:

(i) That the program participant suffers from a physical or mental disability resulting in the permanent inability of the program participant to perform the service or other activities which would be necessary to comply with the obligation; or

(ii) That the employment of the program participant has been terminated involuntarily for reasons unrelated to job performance.

(2) In determining whether compliance by a program participant with the terms of a service or repayment obligation imposes an extreme hardship, the Secretary may, on the basis of information and documentation as may be required, take into consideration the nature of the participant’s personal problems and the extent to which these affect the participant’s ability to perform the obligation.

(c) All requests for waivers must be submitted to the Secretary in writing.

(d) A program participant who is granted a waiver in accordance with this section will be notified by the Secretary in writing.

(e) Any obligation of a program participant for service or payment will be canceled upon the death of the program participant.
