APPENDIX A TO PART 3600—LIST OF STATE STATISTICAL OFFICES

AUTHORITY: 5 U.S.C. 301 and 552; and 7 CFR 2.85.
SOURCE: 60 FR 57534, Nov. 16, 1995, unless otherwise noted.

§ 3600.1 General.
The National Agricultural Statistics Service (NASS) was established on April 17, 1986, by Secretary’s Memorandum 1020–24, which renamed the Statistical Reporting Service concurrent with an internal restructuring. Primary NASS responsibilities are development and dissemination of national and State agricultural statistics, statistical research, and coordination of Department statistical programs.

§ 3600.2 Organization.
The headquarters organization consists of: The Administrator and Associate Administrator; Deputy Administrator for Field Operations; Four Divisions: Estimates, Survey Management, Research, and Systems and Information; and the Agricultural Statistics Board. In the field, each of the 45 State Statistical Offices, serving the 50 States, is under a State Statistician.

§ 3600.3 Functions.
(a) Administrator. The Administrator is responsible for the formulation of current, intermediate, and long-range policies and plans to carry out a broad statistical program for the agricultural sector and Departmental functions and activities assigned to NASS. Specific functions are:
1. Administering an agricultural statistics program which includes estimates of production, marketings, inventories, and selected economic characteristics of the U.S. agricultural and rural economy.
2. Administering a methodological research program to improve agricultural data collection and processing, data management, estimation, and forecasting.
3. Administering programs to conduct surveys for other agencies, improve statistics through statistical standards for the Department, and coordinate statistical methods and techniques within the Federal Government.
4. Administering statistical official programs jointly developed through cooperative agreements with State agencies, universities, private groups, and other Federal agencies.
5. Administering selected international agricultural statistics programs which provide foreign technical assistance, training on statistical methodology for developing countries, and exchange of information.

(b) Associate Administrator. The Associate Administrator is responsible for advising and counseling the Administrator and high-level policy officials on matters related to programs of NASS. Major functions include:
1. Chairing Agricultural Statistics Board activities, designating Board membership, presiding at Board sessions, and formulating specific procedures.
2. Chairing the NASS Strategic Planning Council which coordinates long-range planning, information resources management, and research reviews.
3. Chairing the Resource Management Council which coordinates NASS hiring, promotion, and training activities.

(c) Deputy Administrator for Field Operations. The Deputy Administrator manages and coordinates data collection and estimating programs carried out by State Statistical Offices. This includes supervision of statistical programs with cooperating State and private groups, universities, and other Federal agencies. Major functions include:
1. Formulating policies and programs that relate to functions and responsibilities of State Statistical Offices.
