central database be $5.00 per monthly billing period.

(c) Upon request of an owner of cotton for which classification memoranda have been issued under the subpart, a new memorandum shall be issued for the business convenience of such owner without the reclassification of the cotton. Such rewritten memorandum shall bear the date of its issuance and the date or inclusive dates of the original classification. The fee for a new memorandum shall be 15 cents per bale or a minimum of $5.00 per sheet.

§ 28.911 Review classification.

(a) A producer may request one review classification for each bale of eligible cotton. The fee for review classification is $2.20 per bale.

(b) Samples for review classification must be drawn by gins or warehouses licensed pursuant to §§28.20 through 28.22, or by employees of the United States Department of Agriculture. Each sample for review classification shall be taken, handled, and submitted according to §28.908 and to supplemental instructions issued by the Director or an authorized representative of the Director. Costs incident to sampling, tagging, identification, containers, and shipment for samples for review classification shall be assumed by the producer. After classification, the samples shall become the property of the Government unless the producer requests the return of the samples. The proceeds from the sale of samples that become Government property shall be used to defray the costs of providing the services under this subpart. Producers who request return of their samples after classing will pay a fee of 50 cents per sample in addition to the fee established above in this section.
