(b) **Limited permits.** In addition to all other relevant conditions within this subpart, an inspector or person operating under a compliance agreement may issue a limited permit for the interstate movement of a regulated article only if the regulated article:

1. Is to be moved interstate to a specified destination for specified handling, processing, or utilization (the destination and other conditions to be listed in the limited permit) and this movement of the regulated article will not result in the spread of citrus greening or the Asian citrus psyllid;

2. Is to be moved in compliance with any additional emergency conditions the Administrator may impose under section 414 of the Plant Protection Act (7 U.S.C. 7714) to prevent the spread of citrus greening and the Asian citrus psyllid; and

3. Is eligible for interstate movement under all other Federal domestic plant quarantines and regulations applicable to the article.

(c) Certificates and limited permits for the interstate movement of a regulated article may be issued by an inspector or person operating under a compliance agreement. A person operating under a compliance agreement may issue a certificate for the interstate movement of a regulated article after he or she has determined that the article is eligible for a certificate in accordance with paragraph (a) of this section and all other relevant conditions of this subpart. A person operating under a compliance agreement may issue a limited permit for interstate movement of a regulated article after he or she has determined that the article is eligible for a limited permit in accordance with paragraph (b) of this section and all other relevant conditions of this subpart.

(d) Any certificate or limited permit that has been issued may be withdrawn, either orally or in writing, by an inspector if he or she determines that the holder of the certificate or limited permit has not complied with all of the provisions in this subpart or has not complied with all of the conditions contained in the certificate or limited permit. If the withdrawal is oral, the withdrawal and the reasons for the withdrawal will be confirmed in writing as soon as circumstances allow.

Any person whose certificate or limited permit has been withdrawn may appeal the decision in writing to the Administrator within 10 days after receiving the written notification of the withdrawal. The appeal must state all of the facts and reasons upon which the person relies to show that the certificate or limited permit was wrongly withdrawn. As promptly as circumstances allow, the Administrator will grant or deny the appeal, in writing, stating the reasons for the decision. A hearing will be held to resolve any conflict as to any material fact. Rules of practice concerning a hearing will be adopted by the Administrator.

(e) Unless specific provisions exist in §301.76-6 or §301.76-7 of this subpart to allow the interstate movement of a certain regulated article, the interstate movement of that article is prohibited.

(Approved by the Office of Management and Budget under control number 0579-0363)
person operating under a compliance agreement may issue a limited permit for the interstate movement of regulated nursery stock to areas of the United States other than American Samoa, Northern Mariana Islands, and those portions of Arizona, California, and South Carolina not quarantined due to the presence of Asian citrus psyllid or citrus greening if:

(1) The nursery stock is treated for ACP with an APHIS-approved soil drench or in-ground granular application no more than 30 days and no fewer than 20 days before shipment, followed by an APHIS-approved foliar spray no more 10 days before shipment. All treatments must be applied according to their EPA label, including directions on application, restrictions on place of application and other restrictions, and precautions, and including statements pertaining to Worker Protection Standards.

(2) The nursery stock is inspected by an inspector in accordance with §301.76–9 and found free of Asian citrus psyllid.

(3) The nursery stock is affixed prior to movement with a plastic or metal tag on which the statement “Limited permit: USDA-APHIS-PPQ. Not for distribution in American Samoa, Northern Mariana Islands, or those portions of AZ, CA and SC not quarantined due to the presence of Asian citrus psyllid or citrus greening” is prominently and legibly displayed. If the nursery stock is destined for movement or sale in boxes or containers, the statement may be printed on the box or container, or printed on a label permanently affixed to the box or container, provided that, in either case, the statement is prominently and legibly displayed.

(4) The nursery stock is moved in a container sealed with an agricultural seal placed by an inspector.

(5) This container prominently and legibly displays the statement of paragraph (b)(3) of this section.

(6) A copy of the limited permit is attached to the consignee’s copy of the accompanying waybill.

(7) The nursery stock is moved in accordance with the conditions specified on the limited permit to the location specified on the permit.

(c) Additional conditions for issuance of a limited permit; regulated articles intended for consumption, as apparel or as a similar personal accessory, or for other decorative use.²

In addition to the general conditions for issuance of a limited permit contained in §301.76–5(b), an inspector or person operating under a compliance agreement may issue a limited permit for the interstate movement of regulated articles intended for consumption, as apparel or as a similar personal accessory, or for other decorative use if:

(1) The articles are treated with irradiation in accordance with 7 CFR part 305 of this chapter at an irradiation facility that is not located in an area quarantined for citrus greening.

(2) The container that will be used to move the articles interstate is clearly labeled with the limited permit, which must contain the name of the State or portion of a State where the articles were produced and a statement that the articles were treated in accordance with 7 CFR part 305 of this chapter.

(3) A copy of the limited permit is attached to the consignee’s copy of the accompanying waybill.

§301.76–7 Additional conditions for issuance of certificates and limited permits for regulated articles moved interstate from areas quarantined for citrus greening.

(a) Additional conditions for issuance of a limited permit; regulated nursery stock grown, produced, or maintained at a nursery or other facility located in the quarantined area. In addition to the general conditions for issuance of a limited permit contained in §301.76–5(b), an inspector or person operating under a compliance agreement may issue a limited permit for the interstate movement for immediate export of regulated nursery stock grown, produced, or maintained at a nursery or other facility located in the quarantined area if:

(1) The nursery stock is treated for Asian citrus psyllid with an APHIS-approved soil drench or in-ground granular application, followed by an APHIS-approved foliar spray, in accordance

²Examples of such articles include *Bergera koenigii* leaves, as well as *Murraya paniculata* flowers or foliage.
