§ 360.304 Denial of an application for a permit to move a noxious weed; cancelation of a permit to move a noxious weed.

(a) The Administrator may deny an application for a permit to move a noxious weed when the Administrator determines that:

(1) No safeguards adequate or appropriate to prevent dissemination of the noxious weed can be implemented; or

(2) The destructive potential of the noxious weed, should it escape despite safeguards, is such that the danger of such escape, dissemination, or both, cannot be controlled.

(b) Inspection of premises. The Administrator may inspect the site where noxious weeds are proposed to be handled in connection with or after their movement under permit to determine whether existing or proposed facilities will be adequate to prevent noxious weed dissemination if a permit is issued.

(c) Permits to move noxious weeds through the United States. Permits to move noxious weeds through the United States must be obtained in accordance with part 352 of this chapter.
