Federal Crop Insurance Corporation, USDA

§ 400.403 Required system of records.

Insurance providers are required to implement a system of records for obtaining, using, and storing documents containing SSN or EIN data before they accept or receive any applications for insurance. This data should include: name; address; city and state; SSN or EIN; and policy numbers which have been used by FCIC or the insurance provider.

§ 400.404 Policyholder responsibilities.

(a) The policyholder or applicant for crop insurance must provide a correct SSN or EIN to FCIC or the insurance provider to be eligible for insurance. The SSN or EIN will be used by FCIC and the insurance provider in:

(1) Determining the correct parties to the agreement or contract;
(2) Collecting premiums or other amounts due FCIC or the insurance provider;
(3) Determining the amount of indemnities;
(4) Establishing actuarial data on an individual policyholder basis; and
(5) Determining eligibility for crop insurance program participation or other United States Department of Agriculture benefits.

(b) If the policyholder or applicant for crop insurance does not provide the correct SSN or EIN on the application and other forms where such SSN or EIN is required, FCIC or the reinsured company shall reject the application.

(c) The policyholder or applicant is required to provide to FCIC or the insurance provider, the name and SSN or EIN of any individual or other entity:

(1) holding or acquiring a substantial beneficial interest in such policyholder or applicant;
(2) having any interest in the policyholder or applicant and receiving separate benefits under another United States Department of Agriculture program as a direct result of such interest.

(d) If a policyholder or applicant is using an EIN for a policy in an individual person’s name, the SSN of the policyholder or applicant must also be provided.

§ 400.405 Agent and loss adjuster responsibilities.

(a) The agent or loss adjuster shall provide his or her correct SSN to FCIC or the insurance provider, whichever is applicable, to be eligible to participate in the crop insurance program. The SSN will be used by FCIC and the insurance provider in establishing a database for the purposes of:

(1) Identifying agents and loss adjusters on an individual basis;
(2) Evaluating agents and loss adjusters to determine level of performance;
(3) Determining eligibility for program participation; and
(4) Collection of any amount which may be owed by the agent and loss adjuster to the United States.

(b) If the loss adjuster contracting with FCIC to participate in the crop insurance program does not provide his or her correct SSN on forms or contracts where such SSN is required, the loss adjuster’s contract will be cancelled effective on the date of refusal and the loss adjuster will be subject to suspension and debarment in accordance with the suspension and debarment regulations of the United States Department of Agriculture.

(c) If the agent or loss adjuster contracting with an insurance provider, who is also a private insurance company, to participate in the crop insurance program does not provide his or her correct SSN on forms or contracts...
§ 400.406 Insurance provider responsibilities.

The insurance provider is required to collect and record the SSN or EIN on each application or on any other form required by FCIC.

§ 400.407 Restricted access.

The Manager, other officer, or employee of FCIC or an authorized person may have access to the SSNs and EINs obtained pursuant to this subpart, only for the purpose of establishing and maintaining a system of records necessary for the effective administration of the Act.

§ 400.408 Safeguards and storage.

Records must be maintained in secured storage with proper safeguards sufficient to enforce the restricted access provisions of this subpart.

§ 400.409 Unauthorized disclosure.

Anyone having access to the records identifying a participant’s SSN or EIN will abide by the provisions of section 203(c)(2)(C) of the Social Security Act (42 U.S.C. 405(c)(2)(C)), and section 6109(f), Internal Revenue Code of 1986 (26 U.S.C. 6109(f) and the Privacy Act of 1974 (5 U.S.C. 552a). All records are confidential, and are not to be disclosed to unauthorized personnel.

§ 400.410 Penalties.

Unauthorized disclosure of SSN’s or EIN’s by any person may subject that person, and the person soliciting the unauthorized disclosure, to civil or criminal sanctions imposed under various Federal statutes, including 26 U.S.C. 7613, 5 U.S.C. 552a, and 42 U.S.C. 408.

§ 400.411 Obtaining personal records.

Policyholders, agents, and loss adjusters in the crop insurance program will be able to review and correct their records as provided by the Privacy Act. Records may be requested by:

(a) Mailing a signed written request to the headquarters office of FCIC; the FCIC Regional Service Office, or the insurance provider; or

(b) Making a personal visit to the above mentioned establishments and showing valid identification.

§ 400.412 Record retention.

(a) FCIC or the insurance provider will retain all records of policyholders for a period of not less than 3 years from the date of final action on a policy for the crop year, unless further maintenance of specific records is requested by FCIC. Final actions on insurance policies include conclusion of insurance events, such as the latest of termination of the policy, completion of loss adjustment, or satisfaction of claim.

(b) The statute of limitations for FCIC contract claims may permit litigation to be instituted after the period of record retention. Destruction of records prior to the expiration of the statute of limitations will not provide a defense to any action by FCIC against any private insurance company.
