§ 550.51 Purpose of reports and records.

Sections 550.52 through 550.55 set forth the procedures for monitoring and reporting on the Cooperator’s financial and program performance and the necessary reporting format. They also set forth record retention requirements, and property and equipment inventory reporting requirements.

§ 550.52 Reporting program performance.

(a) The REE Agency shall prescribe the frequency with which performance reports shall be submitted. Performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The REE Agency may require annual reports before the anniversary dates of multiple year agreements in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the period of agreement.

(b) When required, performance reports shall contain, for each award, detailed information on each of the following:

(1) A comparison of actual accomplishments with the goals and objectives established for the period and the findings of the investigator. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(c) Cooperators shall not be required to submit more than the original and two copies of performance reports.

(d) Cooperators shall immediately notify the REE Agency of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

§ 550.53 Financial reporting.

Financial Status Report.

(a) Each REE Agency shall require Cooperators to report the status of funds as approved in the budget for the cooperative agreement. A financial status report shall consist of the following information:

(1) The name and address of the Cooperator.

(2) The name and address of the PI.

(3) The name, address, and signature of the financial officer submitting the report.

(4) A reference to the cooperative agreement.

(5) Period covered by the report.

(6) An itemization of actual dollar amounts expended on the project during the reporting period (in line with the approved budget) and cumulative totals expended for each budget category from the starting date of the cooperative agreement.

(b) The REE Agency shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly.
or less frequently than annually. A final report shall be required at the completion of the agreement.

(c) The REE Agency shall require Co-operators to submit the financial status report (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the REE Agency upon request of the Cooperator.

§ 550.54 Invention disclosure and utilization reporting.

(a) The Cooperator shall report Invention Disclosures and Utilization information electronically via i-Edison Web Interface at: www.iEdison.gov.

(b) If access to InterAgency Edison is unavailable, the invention disclosure should be sent directly to: Division of Extramural Intentions and Technology Resources, 6705 Rockledge Drive, (RKL 1), Suite 310, MSC 7980, Bethesda, Maryland 20892-7750.

§ 550.55 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to Cooperators. REE agencies shall not impose any other record retention or access requirements upon Cooperators, excepting as set out in §550.42(d).

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of 3 years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the REE Agency. The only exceptions are the following:

1. If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken;

2. Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition;

3. When records are transferred to or maintained by the REE Agency, the 3-year retention requirement is not applicable to the Cooperator;

4. Indirect cost rate proposals, cost allocations plans, etc., as specified in paragraph (f) of this section.

(c) Copies of original records may be substituted for the original records if authorized by the REE Agency.

(d) The REE Agency shall request transfer of certain records to its custody from Cooperators when it determines that the records possess long-term retention value. However, in order to avoid duplicate record keeping, a REE Agency may make arrangements for Cooperators to retain any records that are continuously needed for joint use.

(e) The REE Agency, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of Cooperators that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a Cooperator's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) No Cooperator shall disclose its records that are pertinent to an award until the Cooperator provides notice of the intended disclosure with copies of the relevant records to the REE Agency.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage charge back rates or composite fringe benefit rates).
