Agricultural Marketing Service, USDA

§ 925.55 Inspection and certification.

(a) Whenever the handling of any variety of grapes is regulated pursuant to §925.52, each handler who handles grapes shall, prior thereto, cause such grapes to be inspected by the Federal or Federal-State Inspection Service and certified as meeting the applicable requirements of such regulation: Provided, That inspection and certification shall not be required for grapes which previously have been so inspected and certified if such prior inspection was made.

(b) The committee shall, with the approval of the Secretary, prescribe such rules, regulations, and safeguards as it may deem necessary to prevent grapes handled under the provisions of this section from entering the channels of trade for other than the specific purposes authorized by this section.
