§ 958.41 Budget.
Prior to each fiscal period, and as may be necessary thereafter the committee shall prepare a budget of estimated income and expenditures necessary for the administration of this part. The committee shall recommend to the Secretary a rate of assessment calculated to provide adequate funds to defray its proposed expenditures. The committee shall present such budget promptly to the Secretary with an accompanying report thereon showing the basis for its calculations and recommended rate.

§ 958.42 Assessments.
(a) The funds to cover the committee's expenses pursuant to § 958.40 shall be acquired by the levying of assessments upon handlers as provided in this subpart. Each handler who handles onions as the first handler thereof which are inspected pursuant to this part shall pay assessments to the committee upon demand, which assessments shall be in payment of such handler's pro rata share of such expenses.
(b) Assessments shall be levied upon handlers at rates established by the Secretary. Such rates may be established upon the basis of the committee's recommendations or other available information.
(c) At any time during or subsequent to a given fiscal period, the committee may recommend the approval of an amended budget and an increase in the rate of assessment. Upon the basis of such recommendation, or other available information, the Secretary may approve an amended budget and increase the rate of assessment. Such increase shall be applicable to all onion shipments inspected pursuant to this part during such fiscal period.

§ 958.43 Accounting.
(a) All funds received by the committee pursuant to the provisions of this part shall be used solely for the purposes specified in this part.
(b) The Secretary may at any time require the committee, its members and alternates, employees, agents, and all other persons to account for all receipts and disbursements, funds, property, or records for which they are responsible. Whenever any person ceases to be a member or alternate of the committee, he shall account for all receipts, disbursements, funds, and property (including, but not being limited to, books and other records) pertaining to the committee's activities for which he is responsible, and deliver all such property and funds in his hands to such successor, agency, or person as may be designated by the Secretary, and shall execute such assignments and other instruments as may be necessary or appropriate to vest in each such successor, agency, or person the right to all of such property and funds and all claims vested in such person.

§ 958.44 Reserve fund.
At the end of each fiscal period, funds in excess of the committee's expenses may be placed in an operating reserve not to exceed approximately 1 fiscal year's operational expenses or such lower limits as the committee, with the approval of the Secretary, may establish. Also, the committee, with the approval of the Secretary, may include in its budget an item for such reserve. Funds in the reserve shall be available for use by the committee for expenses authorized pursuant to § 958.40. Funds in excess of those placed in the operating reserve shall be refunded to handlers. Each handler's share of such excess shall be the amount he paid in excess of his pro rata share of the expenses of the committee.
