The members of the Board (including successors or alternates), and any agent or employee appointed or employed by the Board, shall be subject to removal or suspension by the Secretary at any time. Each and every order, regulation, decision, determination, or other act of the Board shall be subject to the continuing right of the Secretary to disapprove of the same at any time, and, upon such disapproval, shall be deemed null and void except as to acts done in reliance thereon or in compliance therewith.

(a) General. The Board may also provide for crediting the pro rata expense assessment obligations of a handler with such portion of
his direct expenditure for such marketing promotion including paid advertising as may be authorized. The expenses of such projects shall be paid from funds collected pursuant to §981.81(a) or credited pursuant to paragraph (c) of this section.

(b) Authorization. If, on the basis of a Control Board recommendation pursuant to §981.40(e) with respect to projects pursuant to this section, and appertaining rules and regulations established by the Secretary on recommendation of the Board, and other available information, the Secretary concurs that such activities should be permitted, he shall authorize such activities.

(c) Creditable expenditures. The Board, with the approval of the Secretary, may provide for crediting all or any portion of a handler's direct expenditures for marketing promotion including paid advertising, that promotes the sale of almonds, almond products or their uses. No handler shall receive credit for any allowable direct expenditures that would exceed the total of his assessment obligation which is attributable to that portion of his assessment designated for marketing promotion including paid advertising. Such expenditures may include, but are not limited to, money spent for advertising space or time in newspaper, magazines, radio, television, transit, and outdoor media, including the actual standard agency commission costs not to exceed 15 percent.

(d) Promotion guidelines. All marketing promotion activity engaged in by the Board, including paid advertising, shall be subject to the following terms and conditions:

3. No promotion or advertising shall be undertaken without reason to believe that returns to producers will be improved by such activity; and

The quantity of inedible kernels in each variety in excess of two percent of the kernel weight received, shall constitute a weight obligation to be accumulated in the course of processing and shall be delivered to the Board, or Board accepted crushers, feed manufacturers, or feeders. The Board, with the approval of the Secretary, may change this percentage for any crop year, may authorize additional outlets, may exempt bleaching stock from inedible kernel determination or obligation and may establish rules and regulations necessary and incidental to the administration of this provision, including the method of determining inedible kernel content and satisfaction of the disposition obligation. The Board for good cause may waive portions of obligations for those handlers not generating inedible material from such sources as blanching or manufacturing.

(b) Outgoing. For any crop year the Board may establish, with the approval of the Secretary, such minimum quality and inspection requirements applicable to almonds to be handled or to be processed into manufactured products, as will contribute to orderly marketing
