Food Safety and Inspection Service, USDA

§ 312.2 Official marks and devices to identify inspected and passed products of cattle, sheep, swine, or goats.

(a) The official inspection legend required by part 316 of this subchapter to be applied to inspected and passed carcasses and parts of carcasses of cattle, sheep, swine and goats, meat food products in animal casings, and other products as approved by the Administrator, shall be in the appropriate form as hereinafter specified: 1

For application to sheep carcasses, the loins and ribs of pork, beef tails, and the smaller varieties of sausage and meat food products in animal casings.

For application to calf and goat carcasses and on the larger varieties of sausage and meat food products in animal casings.

The number “38” is given as an example only. The establishment number of the official establishment where the product is prepared shall be used in lieu thereof.
