§ 1017.16 Unclassified Controlled Nuclear Information markings on documents or material.

(a) Marking documents. If a Reviewing Official determines that a document contains UCNI, the Reviewing Official must mark or authorize the marking of the document as described in this section.

(1) Front marking. The following marking must appear on the front of the document:

Unclassified Controlled Nuclear Information Not for Public Dissemination

Reviewing Official:

(Name/Organization)

Date:

Guidance Used:

(2) Page marking. The marking “Unclassified Controlled Nuclear Information” must be placed on the bottom of the front of the document and on the bottom of each interior page of the document that contains text or if more convenient, on the bottom of only those interior pages that contain UCNI. The page marking must also be placed on the back of the last page. If space limitations do not allow for use of the full page marking, the acronym “UCNI” may be used as the page marking.

(b) Marking material. If possible, material containing or revealing UCNI must be marked as described in §1017.16(a)(1). If space limitations do not allow for use of the full marking in §1017.16(a)(1), the acronym “UCNI” may be used.

§ 1017.17 Determining that a document or material no longer contains or does not contain Unclassified Controlled Nuclear Information.

(a) Document or material no longer contains UCNI. A Reviewing Official with cognizance over the information in a document or material marked as containing UCNI may determine that the document or material no longer contains UCNI. A Denying Official may also determine that such a document or material no longer contains UCNI. The official making this determination must base it on applicable guidance and must ensure that any UCNI markings are crossed out (for documents) or removed (for material). The official marks or authorizes the marking of the document (or the material, if space allows) as follows:
